# NATIONAL TAX SEMINAR 2017

KINTA RIVERFRONT HOTEL & SUITES, GRAND VALLEY BALLROOM

## 2018 BUDGET PROPOSALS

The National Tax Seminar 2017 is your gateway to update knowledge and latest information of the 2018 Budget Proposals. Join us to hear and learn of changes in tax legislations and its treatment presented by experienced speakers from Lembaga Hasil Dalam Negeri Malaysia (LHDNM). Accountants, Tax Agents, Tax Practitioners and taxpayers should not miss this annual event to enhance and be current with vital information that could affect the way tax is computed for 2018.

## TAX COMPLIANCE: THE WAY FORWARD

One of the challenges faced by tax authorities around the world including IRBM is tax non-compliance. The current strategy of IRBM in ensuring tax compliance is by adopting the approach of making compliance easy and non-compliance difficult.

This seminar will highlight IRBM's role and initiatives in increasing tax compliance through various enforcement approaches. These include sanctions in the form of tax penalties, barring a person from leaving the country, instituting bankruptcy and winding-up proceedings and also prosecution of criminal offences with a special focus on the role and functions of the new Kuala Lumpur Litigation Branch.

Tax practitioners and the general public would be able to benefit from this and be kept abreast of their duties as a taxpayer and the consequences of non-compliance.
