Motions

12. The Chairman informed the floor that there is a motion before the committee.
13. The motion was by Mr. Amrick Singh Sandu titled – Imposing Term Limit on all Office Bearers of the Perak Bar Committee.
14. The Chairman then invited Mr. Amrick Singh Sandu to present and speak about the motion.
15. Mr. Amrick Singh Sandu addressed the floor on the issue with the term ‘office bearers’ and clarified that the term ‘office bearers’ in the said motion includes all the Committee Members of the Perak Bar.
16. Mr. Santhiran A/L Veloo stated that the Young Lawyers’ involvement in the Committee is a process and there is no need for a rule such as this to be imposed. Furthermore, there is a convention that a Chairman of the Perak Bar will only serve for two terms.
17. Mr. Choy Kam Lee stated that the intention of this motion is good, but this would require an amendment to the Legal Profession Act 1976 (LPA) to a certain extent and questioned whether there has been any complaint of abuse of power, cronyism, or corruption within the Perak Bar Committee to date.
18. Dato’ Naranya Singh S/O Asa Singh stated that the motion may be in contravention of the LPA but is intended for the Perak Bar members to take cognizance and give way to new people into the Perak Bar Committee.
19. Ms. Lee Pooi Mun informed that as a point of order, the speaker should only state whether they support or oppose the motions and give their reasons. There is no need for a reply by the proposer of the motion, to the speakers’ reasons.
20. Mr. Surindar Singh S/O Chain Singh informed that he does not support the motion as it is contrary to the LPA. His reasons are that the term ‘more than two terms continuously’ is not present in the LPA and that the AGM of the State Bar is governed under the Section 70(5) of the LPA which provides that the Chairman and the members of the Committee so elected shall hold office until the next AGM of the State Bar. He further stated that the Chairman and the Committee Members are elected every year. Instead, the motion should be to amend the LPA.
21. Mr. Purshotamdas A/L Nathermal pointed out the existence of the Perak Bar Convention wherein the Chairman of the Perak Bar will always carry on as the Chairman for two terms. The Committee can look into the convention. He then referred to page 7 of the Annual Report where ten (10) Committee Members were nominated at paragraph 44 and proposed that the person proposing nominations be

closed should not be part of the nominated members, which may be formed as part of the Perak Bar Convention.

22. The motion was called for voting and the first motion by Mr. Amrick Singh Sandu was defeated with 30 votes for the motion and 67 votes against the motion.

23. The Chairman thanked Mr. Amrick Singh Sandu for tabling the motion.

Item No. 5- To Elect the Chairman of the Perak Bar Committee for the Year 2021/2022.

CHAIRMAN'S REPORT

Let me start by thanking you for giving me the opportunity to serve as your Chairman. I have completed my 2 terms as Chairman of Perak Bar Committee.

Surely, my report as Chairman is a very different report to those of previous years! Needless to say, my past year report and this report is very much overshadowed by the impact of the coronavirus pandemic.

Last year at our virtual Annual General Meeting, I reflected on my journey with Perak Bar and what I envisioned in the year to come, and let me tell you, I had no idea what 2021 had in store for us all. Whist I started the term 2021 -2022 with a hope that we will recover from the pandemic, another Movement Control Order was implemented. This term has been a period of rapid change, constantly adapting, retooling, and building resiliency. I must say that we sailed safely across storm and adjusted to the new norm.

It's been a wild year, and I thought I would start with some gratitude. Firstly, I would like to acknowledge and thank my fellow Committee members. They have been a pleasure to work with. Many talents and much hard work from a wonderful group. I do not wish to list down their contributions here as their individual reports would reflect the same. Taking note that our committee members are mixed group of young and senior practitioners, it needed a greater effort to balance between work commitments and serving the Bar. Thank you all.

Special thanks must go to my secretary Claire and Madam Treasurer, Nurul Jannah – without whom I would not have been able to do my job. Our Bar Representative, Mr. SV Namasoo who had done a great job at Council level. It has been a great pleasure to work with an efficient team player.

I continue to thank Ms Kariam Kaur and Cik Nur Aziela, staff of Legal Aid Centre, Ms Abirashini Pillai Gopal and Puan Saralawati Sulaiman for carrying out all instructions and directions well during my tenure. Their massive contributions made sure jobs get done promptly.

We initiated the vaccination programme for our members with the help of State Health Department. Our members were called for vaccination by stages starting early July 2021. I take this opportunity to thank Dato Dr. Ding Lay Ming, Director of Perak Health Department for her support.

Our greatest challenge is to keep up with the present-day developments. In respect of court matters, Perak Bar has continuously voiced its concerns and has brought members views to the attention of the Judges and other legal officers. We had courtesy call with the newly appointed Judicial Commissioners and voiced out the displeasure over certain requirements forced on our members.

Similarly, we also addressed the issues of Key Performance Indicators [KPI], adjournments and fixing of trial dates with all judicial officers in Perak via Zoom meetings. I take this opportunity to thank YA Dato Wahab bin Mohamed and his predecessor,

YA Dato Hashim Bin Hamzah, Puan Indra Nehru and Tuan M. Bakri bin Abdul Majid for their cooperation and willingness to work hand in hand with Perak Bar.

I always stress the ‘*mantra*’ that “*we will be measured by our actions, not our intentions.*” We could not organise our annual dinner. Neither could we sweat during our Perak – Penang Bar Games. The committee had lots of new ideas which would have benefited the members. Unfortunately, due to pandemic, certain plans are still in pipeline and the rest was unable to be carried out. I append a few :-

i. Renovation to Perak Bar Building

- Our plans were to extend the current building another 30 feet and thereafter build a 3 storey building at the back which will comprise a board meeting room, extended conference hall with high tech media with seating capacity of 350 person and a library.
- We have written to Majlis Bandaraya Ipoh for clarification and relaxation of the 10 feet ‘setback rule’. We are still waiting for reply from the local authority. For members information, we have sufficient fund to carry out the renovation.

ii. Online Payments

- Members are well aware that we have revamped our website [perakbar.org] with modern look. To ease members making payments, we have applied for online payment gateway and it has been approved. We are in the midst of integrating the same to our website.

iii. Perak Bar Apps

- We have proposed for phone apps so that we can disseminate information to our members easily. If the project is a success, we would be the first state Bar to have personalised apps.

I sincerely hope that incoming committee will carry out these initiatives and I am prepared to lend a hand.

As for the committee meetings, we met 11 times and the attendance of each member is as follows:-

Babu Raj A/L Raja Gopal	11/11
S. V. Namasoo	11/11
Aw Sheng Min	11/11
Nurul Jannah Binti Khairul Anuar	6/11
Vivekanandan AMS Periasamy	9/11
Dato' Shamsuriah Binti Sulaiman	9/11
Lai Choe Ken, Kenny	11/11
Varpal Singh A/L Menender Singh	10/11
Balakrishna Balaravi Pillai	7/11
Sukhvinder Singh Sidhu	10/11
Kamala Mahlini A/P P Jeganathan	11/11
Tan Yin Fong	11/11
Mary Ann	7/11
Ruzitah Binti Sarbani	9/11
Amrick Singh Sandu	11/11

I also take this opportunity to thanks several members of the Bar namely, Mr. Arthur Yeong, Mr. Mathialagan, Mr. A. Silvanathan, Mr. Chan Kok Keong, Mr. Arthur Chong, Encik Norazali Nordin, Mr. Rabindar Singh, Ms. LC Ng and Ms. Navit Kaur who constantly brought ideas and issues for betterment of the Bar. I cherish your guidance, passion and encouragement, which have given me the strength and support to discharge the many functions as the Chairman of Perak Bar.

As an end note, I thank Members of Perak Bar for giving me the honour serving as Chairman of this honourable Bar. I hope that I have showed the aspirants as a leader, moreover in times of pandemic. I have tried and given my best. As the Malay proverb goes – *ambil yang jernih buang yang keruh*. Let me end my report by quoting the Tamil poet, Thiruvalluvar [300 BCE] :-

குணம் நாடிக் குற்றமும் நாடி அவற்றுள்
மிகைநாடி மிக்க கொளல்.

(Gunam naadik kutramum naadi avatrul
Migainaadi mikka kolal)

Meaning – *Seek the values in everything and find its defects; evaluate them objectively and take the maximum out of the best in them.*

BAR REPRESENTATIVE REPORT

The inaugural year of being the Bar Representative had its own challenges, from understanding the mechanics of how the Bar Council (BC) functioned to that of the duties and the responsibilities of being a Councillor tasked with looking after the affairs and welfare of its 21,502 members in Peninsular Malaysia as of 31.12.2021 and at the same time ensuring that the Bar upholds its functions as statutorily enshrined.

I believe, unlike any other year, BC in the year 2020/2021 had more than its fair share of challenges and issues to deal with due to the unexpected and sudden onset of the Covid 19 pandemic and the consequent imposition of the nationwide movement control order on 18.3.2020. For nearly 6 months all BC as well as Committee meetings were all conducted vide zoom. Similarly, all meetings with the judiciary, relevant government agencies and other stakeholders were also conducted in like fashion. Tackling issues and finding solutions became more arduous and time consuming with the implementation of work from home policy in the Klang Valley.

However challenging, as the saying goes, 'the show must go' and the challenges and issues that members faced during the lockdown and thereafter were dealt with, as far as possible, by BC in the best interest of its members. For the information of our members, some of the salient issues that cropped up and dealt with or still being dealt with are, as follows:

1. THE LEXIS NEXIS SUIT

In a nut shell, the Lexis Nexis (LN) suit arose from the noble intention of BC to provide legal research tools at an extremely reduced price to all Bar members but unfortunately it ended up in a legal suit filed by LN against the Malaysian Bar that is still pending in court (LN suit). A special ad hoc committee headed by the Vice – President, Mr. Surindar Singh and comprising some Councillors and the legal team handling the suit was convened to look into ways to bring this legal saga to an end. After numerous meetings and much deliberation by the ad hoc committee throughout most part of the year (and still ongoing) an attempt at settlement was reached in principle with the help of the mediating judge, subject to the approval by 2/3 of the members present and voting in an EGM. Bearing in mind, the issue of possibly running afoul of competition law, if the other legal research tool providers were excluded in the exercise, another ad hoc committee was set up to look into inviting tenders from others similar service providers like LN. Tenders were received from CLJ, Digital Library (E- Law), Thompson Reuters and Percetakan Negara Malaysia Berhad so that all legal research tool providers' packages can be put before the member simultaneously for consideration. Upon completion of this massive exercise by the Council, it culminated in 5 motions being put up in an EGM held on 25.9.2021 in the hope that members would consider accepting all or any of the legal research tool packages but unfortunately none of the motions were carried. The consequence of the said failures, is that, as far as the LN suit was concerned, it could not be resolved amicably and is still pending in court. The LN suit is now fixed for trial on 1.7.2022, 21.11.2022, 25.11.2022 and 4th to 6th January, 2023. Notwithstanding the hearing dates being fixed, the suit is still fixed for case management on 9.5.2022 and BC has still not given up hope and still endeavouring in the hope that the said saga can be resolved in a manner which will produce a win – win outcome for all concern.

2. MALAYSIAN BAR PROFESSIONAL INDEMNITY SCHEME (MBPIF)

At the Malaysian Bar 2009 AGM, the general body approved a proposal to set up a Self-Insurance Fund (SIF) which as now been renamed as MBPIF. At the moment our members are insured under a Mandatory Insurance Scheme with a local insurer and are substantially re-insured with an International Re-Insurer and the annual gross premium exceeds RM20 million. The draft MBPIF rules prepared by the relevant committee has been approved by the AGC and the same were circulated to members vide Circular 445/2021 to obtain feedback. The Bar Council appointed Marsh Insurance Brokers (M) Sdn. Bhd. as the Manager for the MBPIF Scheme 2022 for the tenure of 2 + 1. However as there remains concerns as regards the legality of the said Scheme the matter is still needs deliberation before moving forward.

3. ASSISTANCE TO MEMBERS AND INNOVATIONS BROUGHT ON BY THE PANDEMIC

When the lockdown was imposed the Council had to grapple with numerous issues faced by its members, particularly in respect of cases pending in court as well as access by member to their legal firms. To compound matters, the need for legal representation in criminal matters did not grind to a halt as law enforcement continued and this is where our members who were lawyers under the YBGK scheme played an important role in ensuring that continuous legal representation was present. At the same time some of members were financially affected by the pandemic and the lockdown and BC had to think out of the box and take pro-active steps to help and sustain those members in practice. With a view to that an Ad Hoc Pandemic Relief Committee was set up to liaise with other relevant already existing committees to see how financial assistance can be channeled to the affected and deserving members and at the same time reducing overheads involved in operating a legal firm as well as subsidizing statutory payments. In terms of actual practice, for instance, the Conveyancing Committee was tasked with looking into ways to overcome obstacles involved in conveyancing practice, particularly as regards execution of documents where the law mandated that certain documents can only be executed in the presence of the solicitor. To alleviate some of the problems BC has *inter alia* approved or looking into the following matters:

- a) it absorbed the increase in the premium insurance amounting to RM112.90 per member for the current year which based on a membership of 21,000 translates to a subsidy of RM2,370,900.
- b) a waiver of RM120.00 per member for the current year statutory contributions.
- c) rules were approved for the creation of a virtual legal office which reduces tremendously the financial resources needed to open and operate a legal firm in the conventional sense.
- d) expanding and extending the scope of group law practice, which is essentially sharing of a common-chambers to reduce cost.
- e) looking into permitting execution of documents digitally, electronically or remotely in the case of documents where it is legally mandated that it must be executed in the presence of a solicitor but this has not been implemented yet as it requires amendments to the existing laws.

4. LEGAL SUITS

The BC is compelled at times to institute legal suits against certain parties without fear or favour as statutorily provided to uphold the rule of law and the cause of justice and at the same time protect the interest of the legal profession as well as that of the public. In that respect some of the legal suits need mentioning are as follows:

a) MALAYSIAN BAR SUIT AGAINST GOVERNMENT OF MALAYSIA

This suit was commenced to challenge the validity of the emergency imposed by the Government of Malaysia to “manage” the crisis brought on by the Covid 19 pandemic by the Emergency Ordinance. Although the emergency has been revoked by the Government on 2.8.2021 but the Council has taken the position that public interest dictates that the Federal Court decides on the validity of the imposition of the said emergency. The reference to the Federal Court on constitutional law questions is fixed for hearing on 14.3.2022.

b) TAN SRI MUHAMMAD SHAFEE ABDULLAH’S SUIT AGAINST MALAYSIAN BAR

In 2015 Malaysian Bar (MB) AGM, Tommy Thomas (now Tan Sri) and Dato’ VC George (now Tan Sri) moved a motion to censure Tan Sri Muhammad Shafee (TSMS) pertaining to his conduct in the general election prior to that. The motion was circulated but not put before the house as TSMS had obtained a stay. Arising from the circulation of the said motion, TSMS commenced a legal suit against the MB and the Federal Court found BC was in breach of its statutory duty towards the TSMS in circulating the motion and has referred the matter to the High Court for assessment of damages. The BC after seeking legal opinions has decided to file a review in the Federal Court as the decision effectively means that BC is now tasked with filtering motions proposed by members before circulating them and this may not sit well with some of the members and an arduous task. The review was filed in the Federal Court on 1.12.2021 and at the same time BC has filed an application to stay the proceedings for assessment of damages on 17.12.2021.

c) UNQUALIFIED MEMBERS OF THE PUBLIC PROVIDING LEGAL SERVICES

To protect the interest of its members the Council has commenced a number of legal suits to shut down entities, either operating openly or otherwise in providing legal services to unsuspecting members of the public. This is an ongoing battle, and in an attempt to stamp it out the Council besides taking continuous legal actions has also decided to write to the Registrar of Business/Company and/or any third parties requesting them to liaise with BC before approving the registration of the entity or dealing with any entity claiming to provide legal services so that it does not run afoul of the law.

5. DATA COMPLIANCE REPORT (DCR) 2021 BY BANK NEGARA MALAYSIA(BNM)

In an effort to fight money laundering and anti – terrorism financing (AMLATFA) the filing of the DCR to BNM was made mandatory for legal firms deemed “reporting institutions” who were carrying out “gazetted activities”. The BC was concerned with whether the information required in the DCR as well as the permitted follow up action by BNM under the law against the individual firms would run afoul of the “solicitor-client privilege” aspect of practice and therefore although still in discussion with BNM, BC has not completely dismissed the idea of taking this matter to court to determine

the parameters of such encroachment, if any as was done by BC in the case against the Income Tax Department. Also, on another front the subcommittee on AMLATFA, which is headed by our Chairman Babu Raj is working with BNM to allow BC to self – regulate its members on this issue.

6. RULINGS ON SEXUAL HARASSMENT

This ruling was drafted by the Legal Profession Committee and thereafter looked into by the Women Right’s Committee and after much deliberations and discussion by the Councillors, it saw the light of the day in the form of Ruling 14.29 under Chapter 14 entitled “Professional Practice” where now sexual harassment constitutes misconduct under section 94 (3) of the Legal Profession Act 1976.

Although it is not possible to highlight each and every issue debated at Council but rest assured that no stone is left unturned in an attempt to do what is in the best interest of all concern. Being in BC also means the need to head or serve in various committees and in that regard, I was the National Co-Chairman of the YBGK Committee and a Committee Member of the Lexis Nexis Committee, the Ad hoc Pandemic Relief Committee and the Court Liaison Committee.

I take this opportunity to thank the Members of the Perak Bar for giving me the pleasure to serve as your Bar Council Representative and to Perak Bar Chairman as well as the Committee for their support and cooperation. I fervently hope that more members of our Perak Bar will get involved in the numerous committees in Bar Council, numbering more than 50 so that we are kept apprised of the latest development at the highest level.

ALTERNATIVE DISPUTE RESOLUTION / PUBLICATIONS SUB-COMMITTEE

The year had been subdued as the ADR committee in Bar Council also struggled to get the training programmes done. Many a physical training had to be rescheduled and finally the committee came up with a Online Mediation Skills Training Course from the 6th to 12th December 2021. It was the first time the Mediation training had been done online. It was a successful one despite some minor setbacks. The committee hopes to tweak and improve it for the next one in case the physical trainings still cannot be done.

The Mediation Committee and Bar Council has also launched the Mediate First campaign wherein it is a campaign in line with the objective of Pusat Mediasi COVID-19 (“PMC-19”) to provide an alternative dispute resolution platform for members of the public, Small and Medium Enterprises (“SMEs”) and any parties that are unable to perform certain contractual obligations as a result of the restrictions that have been imposed due to the COVID-19 pandemic — for lawyers, law firms, Government-linked companies (“GLCs”), public-listed companies (“PLCs”), SMEs, business chambers, and associations.

The COVID-19 Mediate First Campaign has the privilege of the Government’s support where Mediate First Law Firms will be featured on the PMC-19 website and supporting lawyers may charge fair and reasonable rates as they wish when advising and representing parties in pre-action mediation. No lawyer or law firm is obliged to act or render (pre-action mediation) services for free. A virtual “Mediate First” badge will be given to all law firms who sign the COVID-19 Mediate First Pledge. The “Mediate First” badge will signify the law firm’s support for swift problem-solving for COVID-19-related matters and the law firm’s participation in a first global mediation initiative of this nature

For publications, Perak Bar Committee has set up a new section in the Perak Bar Website called **Argentum Juris**. The link is as follows:- <http://perakbar.org/Argentum%20Juris/>

“Argentum Juris” or “Silver Law” is a new section of our Perak Bar website to highlight and upload articles contributed by members of the Perak Bar which is of interest to everyone here. The name “Argentum” means Silver and “Juris ” means Law and therefore it reflects the Law in our Silver State of Perak.

The articles are curated and uploaded. Everyone is welcome to contribute to the page.

Finally, I would like to thank the members who have supported and contributed in one way or another to the ADR and Publications committee and I wish my successor the very best.

PERAK BAR DEVELOPMENT REPORT

The Perak Bar had a few years ago worked together with the Ipoh High Court to set up a Court Museum similar to the Putrajaya Judicial Museum.

Some members of the Bar had donated for the purpose of this setting up of the said Perak Court Museum. However, the said project has been held in abeyance after some preliminary works, due to the transfer of Magistrate Puan Nur Melati Diana Binti Abdul Wahab and the elevation of Hakim Mahkamah Rayuan YA Dato' Hashim bin Hamzah to the Court of Appeal.

We have also commenced a project to set up a gallery wall in the Perak Bar Secretariat to commemorate the services of the past Perak Bar Committee and the past events organized by Perak Bar. The compilation photographs for the gallery wall have been successfully completed, thanks to the contribution of photographs from members and is currently pending installation of the gallery wall.

I would like to record my sincere thanks and appreciation to the Chairman of the Perak Bar Mr. Babu Raj Raja Gopal and the entire Perak Bar Committee Members for their support and assistance. I also wish to thank Miss Kariam Kaur and Cik Nur Aziela Bt Zamri for their usual hard work and dedication towards the Perak Bar.

Thank you.

CONVEYANCING SUB-COMMITTEE REPORT

Chairperson : Kamala Mahlini a/p P.Jeganathan

Secretary : Paramaswari a/p Sarasur

Members : Lee Pooi Mun
: Tracy Thong Wei Sin

The year 2021 proved to be even more challenging than the previous for conveyancing lawyers in Perak when dealing with PTG and the various land offices throughout the silver state. With the imposition of further lockdown measures by the powers that be and with the registering authorities at PTG and Land offices, Perak operating at minimal staff capacity, attending to presentations of instruments of dealings and other applications, posed numerous problems and the going was tough for all of us. Be that as it may, this Sub Committee has tried its utmost best to deal with and address complaints/ grouses/ criticisms from members of the Bar practising conveyancing, bearing in mind that many factors come into play when approaches are made to tackle problems faced in everyday practice. In respect of this, I place on record my appreciation to those who lent a helping hand in managing the conveyancing portfolio during the year 2021. In particular, my heartfelt thanks to Ms Lee Pooi Mun for her invaluable time and effort in assisting and accompanying me to the numerous formal and informal meetings held throughout the year with the office of the Pengarah, PTG Perak and his able officers. Ms Lee's input and advice on many matters have eased my responsibility as the Chairperson and helped me tremendously in executing duties to the best of my abilities.

Below is a summary of the activities/ meetings/ circulars/ updates on various matters that this Sub Committee was handling throughout the year. Though not exhaustive, the list provides a comprehensive report for members information. From the commencement of the new term by this Sub Committee, request was made via circular dated 3.3.2021 issued to members for feedback/ comments/ queries/ complaint on any matter pertaining to dealings with PTG & LHDN, Perak.

1. Discontinuance of Digital Franking System (DFS) at LHDN- members were requested/ encouraged to utilise the STAMPS for all stamping purposes as DFS was to be discontinued effectively on 30.6.2021.
2. On 1.4.2021, a Memorandum was presented by the Chairman of the Perak Bar Committee, myself on behalf of the Conveyancing Sub Committee & the Chairman of the Kelab Kakitangan Firma Guaman Ipoh ("Runners Association") to the office of the Pengarah, PTG Perak, setting out concerns and views by members on the implementation of the e-TANAH system which came into effect on 15.2.2021. A copy of this memorandum was sent out to members via a circular on 21.4.2021.
3. On 14.4.2021, I was invited to take part in a online meeting with the secretariat of the Technical Working Group on Registering Properties under PEMUDAH and a representative of JKPTG from Putrajaya to highlight issues pertaining to the implementation of the e-TANAH system.

4. For the month of May 2021, members were notified of the limited operational hours at PTG, Ipoh for presenting instruments of dealings and applications for MB/ State Authority consent & only limited number of firms and presentations were allowed on designated days. The closing of operations at PTG & Land offices all over Perak continued well into the month of June 2021.
5. Prior to PTG reopening counters for presentation in July 2021, attempts were made to engage with the officials to work out a feasible mechanism for firms to present their documents, but to no avail. At a meeting on 5.7.2021, PTG officers informed us that walk-in presentations would no longer be entertained and members were to utilise the online appointment system on the PTG website. PTG was to directly inform the firms of the appointment date and daily presentations were initially capped at a mere 40 with maximum presentations of 5 per firm. Meanwhile, many firms were anxiously enquiring on exemption of penalty payments for late presentations which was due to end on 31.8.2021. A further issue which arose related to the expiry of the validity period of the MB/ State Authority consent to transfer, which members were unable to comply with due to difficulty in presenting their documents as a result of the daily quota. These were eventually resolved with the relevant authority granting extensions.

Several letters and follow up meetings were held with the Timbalan Pengarah Tanah & Galian (Bhg Hakmilik) and his officers in early July 2021 followed by an official meeting with Dato Pengarah on 26.7.2021 where the issue of backlog in presentations and the difficulties faced by members in not being able to present their documents, were brought up.

6. Further meetings were held with PTG officials in August 2021 to attempt to resolve the delay in obtaining appointment dates for presentations. Due to the high volume of online applications on the e-temujanji, the system was temporarily suspended. Effective 9.8.2021, the number of daily presentations were capped at 150. Meanwhile, presentation counters at PTG continue to be operational at minimal capacity due to the continuance of the movement control orders and the rising number of COVID positive cases amongst the staff.
7. With the concensus of all stakeholders including the Real Estates Housing Developers Association (REHDA), the Runners Association came up with a temporary solution in creating a weekly appointment schedule in August 2021. Though not entirely satisfactory, their attempt was laudable having regard to the limitations that the Association had to work with. My sincere gratitude to Mr Udaya Shanker and En Syed Khushairi, the Chairman and Deputy Chairman respectively, of the Runners Association for liaising with runners, PTG staff/ officials and various lawyers and legal firms within and outside of Perak in coming up with the appointment schedule, which was no easy task. The weekly listing was put up on the Perak Bar website for members information.
8. By early September 2021, there was a need for this Sub Committee to take over the task of preparing the weekly schedules. Together with Ms Lee, many hours, days and weeks were spent preparing a workable system that in our view, catered to all firms having problems with obtaining appointments at PTG. A barrage of criticisms and complaints and thinly veiled threats came our way from lawyers and others who chose to be deliberately oblivious to the fact that our only

aim was to offer some assistance to those who have been waiting for months to present their documents. A thankless experience indeed which was compensated in some way by the acknowledgement of gratitude we received from other lawyers who genuinely understood and appreciated our efforts.

9. Special arrangements were made with PTG for legal firms having high volume of documents, to be present on designated Saturdays.
10. By mid October 2021, we were ready to hand over the appointment system back to PTG and informed them of the same. All schedules up to 31.10.2021 were drawn up and completed by us. Effective November 2021, PTG resumed the responsibility of fixing the appointments.
11. Follow up meetings with PTG culminated with the announcement of a Special Task Force by PTG effective 10.11.2021 to address the issue of runners/ lawyers/ members of the public having to gather in the wee hours of the morning and in some instances even the night before, just to be the first few in line to have their names in the list for limited presentations for the next working day. The establishment of this task force was long overdue and proved to be very effective in clearing the huge volume of daily presentations numbering in excess of 700 on some days! Thereafter, the going was smooth until the end of the year as members were able to present their documents without limitation and without the need for prior appointment.
12. This year also witnessed Perak Bar engaging with LPPSA (Mortgage Dept) on 30.9.2021 via Googlemeet which was successfully attended to by our members.

Dated this 14th day of January 2022.

COURT LIAISON SUB-COMMITTEE

REPORT

The year 2021 seamlessly was the same as the year 2020 whereby we had do bunker down at home by law and hide from one another behind a mask with less restrictions as to what previously imposed by the Government.

With no flying cars as envisioned by the terminology “Wawasan 2020”, 2021 was seen to be far better as the Malaysian Judiciary itself evolved, for the better with remote Hearings/Case Managements to ease the burden of litigants nationwide.

With the amendments to the principal act of the Court of Judicature Act gave birth to the possibility of conducting various Court proceedings online which seems to be the greatest silver lining out of the whole Covid-19 pandemic.

As we are starting to adapt with the norm post the Covid-19 pandemic, precautions are taken by the Courts by limiting the number of litigants and clients attending Court, thus allowing them to conduct Court proceedings via the various online platforms has allowed litigants to save a lot of time and resources.

In the past year we have also welcomed new Judicial Officers to the Ipoh Courts with the inclusion of having a High Court Judge being appointed to head Court No.1 at the Ipoh High Court.

On a similar note, the Perak Bar Committee has successfully conducted various talks by inviting fellow brothers and sisters at Law to share their thoughts and view on various topics of the legal world which had been done remotely.

Most notably, we had Justice Su Tiang Joo to share some thoughts on Ex-parte Application which was done with the collaboration of the Judicial Officers of the Ipoh High Court which in-turn was a insightful and knowledgeable talk.

Furthermore, the Perak Bar Committee has been committed in solving issues faced by its Members by ensuring every bit is conveyed to the relevant Court officers who have handled the matters in the best possible manner, keeping in mind of the lawyers and the public’s safety, and at the same time having tried their level best into dealing/proceeding with our matters.

In a nutshell, the Judiciary, nationally and locally had done a brilliant job in handling and managing its matters amid the Covid-19 pandemic.

With the ushering of the new year, 2022, we may note that things will not go back as it were pre-Covid, however, we as Lawyers must learn to adapt to the new norm for the greater good.

Thank you.

LEGAL AID, YBGK AND CRIMINAL LAW SUB-COMMITTEE REPORT

Chairman : Varpal S Sagoo PPT

Executive Officer : Abirashini Pillai Gopal (Resigned on 19/10/2021)

Office Administrator : Saralawati Sulaiman

INTRODUCTION

I'm sure we are all aware of the functions and purpose of the setting up of the National Legal Aid Center by the Bar Council 40 years ago and the National Legal Aid Foundation more commonly known as YBGK by the government. It is basically to ensure that justice is available to all and not just the affluent.

It was a busy year for the National Legal Aid Center and the National Legal Aid Foundation amidst the lockdowns and movement control orders.

Meetings online via zoom carried on to deal with pressing issues especially payments related to work done by the hard working lawyers with NLAf.

We are happy to report that after the departure of the Manager at the NLAf headquarters a new Manager has been appointed and payments for work done are now being made.

We thank the lawyers concerned for their patience and understanding.

1. LEGAL AID CENTER

At the Perak Legal Aid Centre, we were sad to say goodbye to the Executive Officer, Ms. Abira who had served with dedication, commitment and firmness to ensure the smooth operation of the Perak NLAC. We wish her well in her new career and pray she will advance in all her future endeavours.

The Committee had conducted an interview to select a replacement for Ms. Abira and await the Bar Council to make the final appointment to our recommendation.

We had the celebration for the 40th anniversary of Legal Aid in Malaysia at the Bar Council which was well attended both via zoom and physically. Participation was limited due to SOP constraints but nevertheless it was a memorable event. Those lawyers and staff who had contributed to Legal Aid activities in one way or another were recognized as champions of legal aid. We are proud to report that our own Administrative Assistant whom we all fondly know as Ms. Sara was one of those recognized as a champion for her contribution to legal aid in Perak.

There is a big decline in the numbers of lawyers who now volunteer to take up legal aid files. We are hopeful that young lawyers will see the benefits and volunteer to take up legal aid files despite their busy schedule to ensure that justice is not denied to those who cannot afford it.

This year all meetings of the Bar Council National Legal Aid Committee and NLAF were held via zoom where various issues pertaining to payments, proposed increments in allowances to YBGK lawyers for mentions, mitigations, hearings as well as SOPs at courts for the protection of the duty solicitors were discussed.

I'm happy to announce that a committee comprising of myself and a few other state NLAC chairpersons had been set up to propose new rates of payments for the various duties and the proposed new rates have been completed and submitted to the relevant authorities for consideration. We await a favourable response.

We successfully conducted the Part 1 and 2 of the NLAF training for new lawyers who volunteered to serve and give back to society in ensuring the underprivileged and unrepresented accused were given fair legal representation on their day in court. The training was conducted online at state level by our own Perak Bar members as trainers after the NLAF Committee found that online training could be effectively conducted. I take this opportunity to thank the trainers, Ms. Abira, Mr Balakrishnan, Mr. Amani William and Mr. Ng Wei Jun for contributing their time and talent for a full day to ensure the success of the training program. We also congratulate to all those who were successful and thank you for willing to serve without expectations of handsome and fast remuneration. SOCIAL SUB-COMMITTEE REPORT

So we were at it again! Bunkering down at home and “hiding” as much as possible from one another behind masks, shields - you name it! At first there were the Alpha, Beta, Delta variants, and now, we’re hovering around the Omicron variant (*if you happen to be reading this years from now, these were the Covid-19 pandemic’s ever evolving Corona virus variant!* - Very similar to something else we’re more used to evolving over time IE. the “law”; irony, no?)

So, in the midst of this pandemic, we were tasked at jump starting this subcommittee, and I have to admit, it was not a walk in the park. We had in fact planned during a monthly meeting, way back in March 2021 to have the Annual Dinner, which took a hiatus the previous year (the only time in my memory it was ever not held).

We even locked in a date, being the 30th of October 2021. However we went into another lockdown soon after the moment we planned it and by the time October came, even though the lockdowns were mostly removed, the Omicron variant mentioned above was just about spreading its wings, therefore once again, the Annual Dinner was scrapped.

However, it must be noted that we were successful, very successful indeed, in organising another annual event of ours, IE. the Buka Puasa dinner (which also took a break the previous year). It was held on 28th April 2021 at the Royal Perak Golf Club and we had a roaring amount of members who joined in. In fact, I believe this was the very first social gathering for most members in a very long time. So everyone finally had a reason to dress up and look nice, in contrast to having been used to mostly wearing pyjamas, sarongs and other home attire from the previous year! The food, atmosphere and company was brilliant. I would like thank my subcommittee members, especially Pn. Ruzitah, Ms. Celia, Mr. Sukhvin and Pn. Jannah and also not forgetting, our amazing secretariat staff, Ms. Charen and Ms. Azie for helping out. Even this little event would not have been a success without these amazing people.

Finally, it has to be noted that towards the year end, when things started reverting back to semi-normal of sorts, we did try organising a few other events, mainly a white water rafting, followed by a camping/"glamping" event in collaboration with the Sports Sub-Com. However, it received a very icy-cold response from our members. Despite that, we can't blame our members for the chilly response as Covid, coupled with the torrential monsoon rains and flooding were the main culprits and therefore we had to scrap these two events as well. Those who actually signed up and paid a deposit had their monies returned.

Well, better luck next term I suppose!

Be safe and thank you.
