CHAIRPERSON REPORT

I begin by thanking all members who gave their vote of confidence to me at the AGM held on 18.2.2022 ,to helm the Perak Bar Committee as Chairperson. Together with the 10 other elected members who sat in the Committee, we were able to work together to handle matters for and on behalf of the Perak Bar.

I have appended a diary of events and programmes attended by me and I must say that this past year has proved to be extremely demanding and enriching, at the same time. Although I had previously in the 1990's sat in the Courts Sub Committee headed by Mr Choy Kam Lee and thereafter worked with previous Chairmen, ie the late Mr William Balasingam, senior, Mr Iruthaya Raj and Mr Mathialagan and recently in 2020 & 2021 as Chairperson of the Conveyancing Sub Committee, it is a whole different experience to hold office in the present day and time. Be that as it may, by virtue of my being Chair of the Perak Bar, I also automatically sit at the Bar Council and hold the position as Deputy Co – Chair of the Conveyancing Practice Committee. The demands of the office take up a considerable amount of time and effort and I owe it to the partners at my firm who have so kindly assisted me and lent their support throughout my tenure in office.

A total of 12 Committee meetings were held from February 2022 until February 2023. The attendance at the meetings by each Committee member is appended below. My sincere thanks to all Committee members who have worked hand in hand in the spirit of camaraderie and kinship. Monthly statements of accounts were tabled by the Treasurer, Mr Saravanan, for discussion to ensure proper accounting practices at all times and these were also sent periodically to the 2 internal auditors for their checking and suggestions on improvement.

The current account at Standard Chartered Bank was closed and monies credited to a new current account created at Public Bank Berhad. This change had to be effected to enable the Secretariat and the Treasurer to incorporate and implement more effective means of managing payments and to conduct online banking.

The reports from the respective Sub Committees will provide more detailed information on the activities carried out throughout the year. Suffice to say that in order for the Committee to effectively carry out activities, there has to be a concerted effort by members to take part, attend and contribute in any way possible.

The Sports Sub Committee led by Mr Sukhvinder Singh, worked tirelessly to garner support from the junior members to take part in the Interstate Bar Games and the Penang/ Perak Bar Games held in 2022.

The Social Sub Committee led by Ms Elaine Fong, commendably organised, amongst other function, the highlight in the social calendar for 2022 ie the Perak Bar Annual Dinner which proved to be an overwhelming success with a record participation of 316 guests.

Ms Kiranjeet Kaur who led the Professional Development Sub Committee also successfully organised 2 webinars for the benefit of members.

Mr Kenny Lai who helmed the Courts Sub Committee, attended with me on informal meetings with the Honourable High Court Judge and Judicial Commissioners of Ipoh & Taiping Courts and the Pengarah, Lower Courts.

Mr Babu Raj who was in charge of the Publicity/ Publication/ Library Sub Committee ensured that all events organised by the Perak Bar Committee was well published amongst members and he also worked towards improving the collection of reading materials at the library.

Pn Zainab who was in charge of Conveyancing Sub Committee until October 2022 had her hands full working tirelessly to keep in touch with officers at PTG Perak and other government offices, to iron out matters affecting conveyancing practise.

Pn Rahimi who headed the Syariah Sub Committee was well able to handle matters in this respect.

Mr Varpal Singh who was in charge of YBGK / Legal Aid attended to and carried out several programmes for the benefit of lawyers handling cases therein.

Mr Amrick Singh who was in charge of the Young Lawyers/ Chambering Students until 17th November 2023, ably handled matters associated with this portfolio.

Mr Saravanan who was assigned to handle Secretariat matters, undertook measures to improve matters concerning staff.

As for the committee meetings, we met 12 times and the attendance of each member is as follows:-

Kamala Mahlini A/P P Jeganathan	12/12
Ilavarasi A/P Thiruchelvam @ Selvam	12/12
Dr. Saravanabavan s/o Mathialagan	12/12
Lai Choe Ken, Kenny	11/12
Zainab Binti Yahaya (until October 2022)	5/8
Rahimi Binti Ramli	4/12
Amrick Singh Sandu (until November 2022)	6/9
Kiranjeet Kaur Sidhu a/p Charan Singh	9/12
Babu Raj A/L Raja Gopal	10/12
Varpal Singh A/L Menender Singh	7/12
Sukhvinder Singh Sidhu	10/12
Elaine Foong Sook Yen	12/12

I also take this opportunity to thank Mr Vivekananda AMS Periasamy, Dato Nicky Chen, Mr Chang Lih Yik, Ms Fong Po Kuan and a host of well wishers who lent support to the many activities of the Perak Bar.

As a new team of Committee members take up positions for the year 2023, I need to stress the importance of those assigned to the Conveyancing, Courts, Young Lawyers and Legal Aid/ YBGK portfolios, to also sit as members in the respective Sub Committees at the Bar Council. There is an urgent need for our Bar to actively engage in these Sub Committees as there are many issues concerning practise that requires our constant feedback, views and comments. Many of these issues relate to our work and participation at the Bar Council Sub Committees will ensure that relevant problems/ matters affecting members of the Perak Bar, are effectively conveyed to the Bar Council and likewise we are able to inform and state our stand on various issues.

In conclusion, on behalf of the Perak Bar Committee, I hereby express my gratitude to one and all for your support during the past year in office.

Dated 9th February 2023

Yours Sincerely,

J. KAMALA MAHLINI

FINANCE REPORT

FINANCIAL STATUS

The financial position of the Perak Bar remains healthy and stable. Details of the financial position are set out in the Audited Accounts ending 31 December 2022.

The Auditors' request has been met by always maintaining a reasonable sufficient balance in the Current Account for working capital. The excess amount has been added to the Fixed Deposit Account.

We have now a strong Fixed Deposit balance of RM 549,710.22 and 'cash at bank' in Current Account stands at RM 97,811.24 which is free of any encumbrances as at 31 December 2022.

MAINTAINING THE SUBSCRIPTION OF RM100 PER MEMBER FOR YEAR 2023

The subscription for the year 2022 was fixed at RM100.00 following the reduction of Subscription from RM150.00 to RM100.00 in the year 2020.

Having carefully looked through the financials and having considered the provisions of the Legal Profession Act (LPA) 1976 namely S.73 (i), (ii) and (iv), the Perak Bar Committee has on the 3rd January 2023 **unanimously decided to maintain the current subscription of RM100.00** for the Year 2023. The said reduction is **only applicable for the year 2023 only**.

Please take note that the reduction of RM50.00 for 2020 until 2022 has affected the overall income of Perak Bar. The Committee has already taken cost-cutting measures and this amount (after reduction) collected from members will be just sufficient to cover the annual expenditures.

3-MONTHLY FINANCIAL REPORTS SENT TO AUDITORS

We have also kept our auditors apprised of our spending by sending them 3- monthly accounts. The Secretariat will continue its ongoing efforts to evaluate and improve internal controls across all operational and financial processes. Greater emphasis will continue to be placed on raising the awareness of the Perak Bar Committee and other support staff to improve internal controls and financial protocols across the Perak Bar to support our continuing goals of financial discipline, efficient processes and robust governance framework from an audit perspective.

SUBSIDIZING YOUNG LAWYERS AND PURCHASE OF BOOKS FOR LIBRARY

The committee decided not to fully subsidise the young lawyers for all events. However, we did contribute for the attendance for seminars, sports and law conference. We have also spent on books to update our library. New text books on different areas of law have been purchased and we hope that members could utilise them. Certain portion of the funds are also utilised to upkeep and maintain our secretariat.

PROCEEDS FROM NON- SUBSCRIPTION ACTIVITIES

Proceeds obtained through training and events, services, and partnerships are invested into organisational activities that are designed to support and represent the Perak Bar's interests and priorities.

CONCLUSION

We have exercised greater care in approving budgets and expenses, limiting them to those essential for the functioning of the Society. This has meant somewhat more administration on everyone's part, for which we are grateful. However, significant challenges remain that will require long-term solutions in the coming year, particularly Inflation and the Cost of Living crisis together with the prospect of an economic downturn. This reinforces the need to keep a strong focus on the Perak Bar's cost structure. We need to look with renewed vigour at actions which can deliver cost efficiencies and deliver value for money wherever possible within the organisation.

ACKNOWLEDGEMENT

I wish to thank the members of the Perak Bar Committee, and the Secretariat staff particularly Ms. Kariam Kaur and Ms. Nur Aziela Binti Zamri for their invaluable input and commitment in managing the Perak Bar's finances. Special thanks to Ms.Mathelaimary Soosai, Ms.Lee Pooi Mun and Mr.Rajasingam for their assistance.

SECRETARIAT REPORT

INTRODUCTION

The Secretariat supports the work of the Perak Bar and its Sub-Committees. Except for the Legal Aid Centre which has its own staff, the projects and activities of the Sub Committees were coordinated and managed by the Secretariat staff.

FUNCTIONS

The Secretariat staff have worked tirelessly throughout the year to ensure the smooth running of the Secretariat and the successful implementation of the projects and activities of the Perak Bar and its Sub-Committees.

This includes performing other regular functions such as keeping records of meeting proceedings, coordinating Disciplinary Committee meetings, assisting lawyers during Zoom Hearings, processing Petitions for Admissions to the Bar, collecting annual subscriptions, maintaining the accounts, website, the e-pop system and other social media of Perak Bar, attending to day-to-day enquiries from Members of the Bar, Pupils and members of the public, just to name a few. I wish to personally thank our able staff, Ms. Kariam Kaur and Ms.Nur Aziela Binti Zamri for their continuous and untiring work at the Secretariat.

CCTV INSTALLATION IN THE SECRETARIAT BUILDING

We have also equipped the Secretariat Building with twelve (12) CCTV cameras in order to enhance security and protection.

FACILITIES FOR ZOOM SESSIONS

For lawyers conducting Zoom Sessions, Perak Bar has allocated a room with computers with Internet connection and the staff will assist whenever necessary. We have ordered a Wifi router to boost the internet connectivity in the Secretariat to enable our members to use the internet for Zoom sessions uninterrupted.

FORM FOR WILL REQUEST

We have created a Specific Form for Will Request by our members and members of the public. This is in order to monitor all Will Requests going through the Secretariat.

CONCLUSION

We will strive to serve the Perak Bar better and provide members with a more effective and efficient Secretariat. We welcome feedback and suggestions on ways that we can assist members and increase the effectiveness and efficiency of the Secretariat. We will continue to our level best to render all assistance to members in a timely manner.

BAR REPRESENTATIVE REPORT

Having served in the Perak Bar Committee for a straight 9 years in various different portfolios, I decided to get more involved in the Bar as a whole, and this time at the national level.

I believe by serving in the Bar Council as the Perak Bar's representative, it had allowed me to bring our state Bar related issues directly to the central statutorily created body tasked with the duties of formulating and implementing policies, rules and regulations. This is in regards to the functioning of the Malaysian Bar as a whole and also in regards to bringing the attention to the central body of the issues faced by our members at the state level.

1. COURT INTERPRETERS

The long standing issue faced by us Perak lawyers is that there are just not enough Tamil and Chinese dialect speaking interpreters available in courts.

This lead to the 'ruling' by a then Perak Court's Director (allegedly) that for any non criminal trial, the burden is on the litigant (and of course that burden directly falls on the heads and laps of us lawyers) to procure the services of private interpreters (mostly lead by retired former court interpreters) at an atrocious fee (as much as RM 500/day even if the interpreter just steps into the court "for a mere minute" and the matter is then postponed!).

This issue was very seriously looked into and brought to task by my predecessor, Mr Namasoo, for which I, together with our Chairperson, Mdm. Kamala Mahlini had also kept pressing on thereafter during our term.

However having kept pressing and harping on this issue over and over, I must concede that this issue has yet to be completely resolved. However, it has somewhat improved a little nevertheless compared to before, which I believe is moving forward in the right direction.

The Bar Council has managed to "nullify" the said "prior ruling" mentioned above by virtue of having brought this issue repeatedly to the attention of the Chief Registrar's office, whereby the present instruction to all courts is that if there is an interpreter in a particular court, or neighbouring court within the same court complex who at the time of the trial is available, that interpreter shall function his or her duty and the court is not allowed to insist on the litigant having procured the services of a private interpreter. If there is any such court which instructs otherwise, we kindly advise you to write in to us an official complaint which will be looked into (as already been done in certain cases).

Lawyers are advised to write in to the respective court earlier to inform the said court of the intention to use the said court's Tamil/Chinese dialect interpreter. However there is a caveat, being that if there is no such interpreter available in that court as a whole (some courts just don't have Tamil/Chinese dialect speaking interpreters), or on that day the said interpreter is not going to be present (with reasons given) then there will still be a need to procure the services of a private interpreter.

As mentioned earlier, this battle is still not completely over and I believe the Bar Council will keep engaging with the CR's office on this issue, but given the sad reality, there just are not enough youngsters applying for the job of court interpreters (especially Chinese dialect interpreters) which has lead to there being not enough of them being in the government service currently.

2. LEXIS NEXIS SUIT

Finally this legal saga has ended! Just about a week prior to the trial in 2022, settlement was reached which now entails unlimited access to all members of the Malaysian Bar (except Selangor Bar members who already had their own private independent access) to the research database of Lexis Nexis until the end of December 2023, as this was among the settlement terms.

If by any chance, any of you still do not know how to access the said portal, kindly refer to the Malaysian Bar Secretariat for further assistance. (Basically access is directly through the member's portal on the Malaysian Bar website at <https://login.malaysianbar.org.my> *after logging in lookout for the "E-Library" tab among the options at the top, below the "Malaysian Bar" banner & situated below the "About Us" tab)

In a nutshell it is a rather a win – win outcome for all concerned. Negotiations are still underway to see if we are to proceed with a new Lexis Nexis subscription moving forward from the end of the year 2023 whereby great consideration is also being given to the fact that we already have unlimited access to three other legal research databases (for which members are paying an annual subscription fee) - as currently the said access to Lexis Nexis does not involve an increment in the said annual subscription fee. What also needs consideration is the fact that certain firms already have existing subscriptions which will not yet expire by then.

3. MALAYSIAN BAR PROFESSIONAL INDEMNITY SCHEME ("MBPIF")

At the Malaysian Bar 2009 AGM, that being about 14 years ago, the general body approved a proposal to set up a Self-Insurance Fund (SIF), for which members (many without even realising) were contributing RM 100 annually through our annual subscription fees. This fee is/was being collected to "kick-start" the said self-indemnity scheme.

The current fund from this MBSIF fund stands at about RM 23 Million. At the moment our members are insured under a Mandatory Insurance Scheme with a 3rd Party Insurer and we are substantially re-insured with a Re-Insurer. A draft MBPIF rules was prepared ad-hoc by the PIF subcommittee of the Bar Council a few years back.

However, not satisfied with the in-house ad-hoc rules, in 2022 the Malaysian Bar engaged the services of an actuarial consultant and the said actuarial report which was just obtained a month or so back is being studied for the viability of the Malaysian Bar implementing this scheme for the year 2024 onwards.

The reason this scheme is to be undertaken by the Malaysian Bar is for the wider benefit of the members in the long run with the annual premiums collected from us members (after making the necessary payments for costs and claims, the balance which is pretty substantial, instead of it lining the pockets of the 3rd party insurers), could be used instead to provide greater coverage to us members with the possibility of even preventing the constant increment in the annual premiums (as is being actively done by the said 3rd party insurers and re-insurers over the years), or even with a remote possibility of the premiums decreasing over time.

4. CCTV FOR THE STATE BAR SECRETARIAT

As all state bar buildings are owned by the Malaysian Bar which includes our grand ol' Perak Bar Building, the Bar Council has agreed to finance a full CCTV installation at the Secretariat building. Further to that, the Bar Council has also agreed to bear the costs of the annual quit

rent and assessment payments of our secretariat building. We are also evaluating to see if our state bar would require another building (to be procured by Bar Council), which can then house the Legal Aid/YBGK centre as currently our LAC is renting its premises and increase the size of our existing auditorium/library.

5. PUPIL IN CHAMBERS TO START HAVING THEIR OWN “ID” FOR e-Review

As it stands, pupils are apparently not allowed to use the e-Review chat feature even if they are to use their master’s login details.

This however is in stark contrast to them being allowed to appear in chambers and in open Magistrate courts after their short calls.

However having engaged with the CR’s office, the EFS platform will be introducing a new “ID” for pupils to have their own e-Review “ID” to appear for such matters.

6. MINIMUM REMUNERATION FOR PUPIL IN CHAMBERS

This is a hot topic which was discussed in last year’s Malaysian Bar AGM after a motion regarding this topic was raised. It was resolved that the Malaysian Bar, through the state Bars will undertake a study and get the members’ feedback regarding this as to whether to implement it or not in the future.

As it stands, there is of course two school of thoughts with regards to this; the younger lawyers are strongly in favour of it, and the more senior members are either partially, or in most cases completely against it.

The Malaysian Bar is also looking into whether the Bar Council has enough regulatory power to impose such a ruling under the current Legal Profession Act, or rather certain provisions in the LPA would need to be amended by Parliament in order to impose this remuneration ruling, even if it is to be approved sometime in the future.

7. LACK OF PERAK BAR MEMBERS PARTICIPATING AT THE NATIONAL LEVEL

It is quite disheartening to know that Perak Bar members as a whole are not active in most of the Bar Council’s subcommittees (“subcom”), notably the National Young Lawyer and Chambering Students (NYLC) subcom and also in any of the other 50 odd subcoms within the Bar Council.

Other state Bars, smaller and further away from Kuala Lumpur, such as Melacca, Penang, Perlis and Kedah have much higher participation than us. It is with hope that our Perak Bar members, especially the younger members would take the initiative to get actively involved in all these various subcommittees not only for the betterment of our state bar, but also to gain greater exposure and experience.

End Note for 2022/2023:

As an end note, I am glad and thankful to all the members of the Perak Bar for giving me the chance to represent Perak Bar at the national level and I strive to keep serving the Bar within my capacity in any way possible. As always, it has been an honour in serving all of you.

Thank you.

COURTS LIASION

SUB-COMMITTEE REPORT

The Court Liaison Sub committee had tried its best to iron out any issues that members may have had during the term to the best of its abilities. With the help of Chairlady and the committee members we managed to sort out a number of issues that members faced. During this term, the committee looked at the issues highlighted below:-

CHINESE AND TAMIL LANGUAGE INTERPRETERS

The Sub committee together with our Chairlady had spoken to the Pengarah of the Perak Courts regarding this matter and have been given assurances that should there be a need for the language interpreter above you can write in for the same and if one is available on the date and time requested it will be provided for you. This applies for both civil and criminal cases as well. The Court had given a list of interpreters that you could contact which is also reproduced here.

RELOCATION OF THE LOWER COURTS

The lower courts have moved to Wisma Wan Mohamed, Jalan Panglima Bukit Gantang Wahab, Perak, 30000 Ipoh beginning 27th December 2022. This is to accommodate the tearing down and rebuilding of the new lower courts which is scheduled to take 3 years or so to complete. Please note that parking may not be available for lawyers during this period at the new court house as parking spaces are very limited. The phone numbers for the lower court has not changed.

FEEDBACK ON E-FILING SYSTEM

Members were asked for their feedback on E-Filing system in its present form and Bar Council is asking for any ways that the system can be improved. The feedback has been sent to Bar Council for them to compile and used to hopefully improve the E-Filing system.

There were several smaller issues which individual lawyers had faced and through the work of Chairlady together with the Court Liaison Committee, the issues were resolved.

I would like to take the opportunity to thank the Chairlady and the Perak Bar Committee members for their hard work and dedication in helping resolve members problems. We have tried to do the best that we can to assist members with their issues. I would also like to thank the Perak Bar members for giving me the opportunity to serve you for another term and hope that you would support the incoming chairperson of this committee and its members as well.

LAPORAN JAWATANKUASA CONVEYANCING

Tahun demi tahun, urusan dalam amalan conveyancing menyaksikan perubahan-perubahan penting serta cabaran-cabaran walau tidak kritikal, namun tetap memberi impak dalam menangannya. Tahun 2022 tidak terkecuali malahan membawa cabaran baharu dengan beberapa perubahan yang memberi implikasi kepada para peguam khususnya dalam Negeri Perak ini.

Pembukaan tahun 2022 dimulakan dengan kunjungan tidak rasmi ke Pejabat Tanah & Galian Perak pada 03/03/2022 oleh Pengerusi Perak Bar, Ms J Kamala Mahlini, pengerusi Jawatankuasa Kecil Conveyancing dan Ms Lee Pooi Mun untuk bertemu dengan Tuan Ahmad Suqairi bin Alias, selain untuk memperkenalkan ahli jawatankuasa yang baharu dilantik, kunjungan ini adalah untuk mengetahui status Garispanduan Pemerolehan dan Pemilikan oleh Warga Asing yang telah lama tertangguh dan masih belum dimuktamadkan. Dalam pertemuan tersebut, Tuan Ahmad Suqairi menyatakan bahawa garispanduan tersebut secara amnya telah diluluskan oleh Majlis Mesyuarat Kerajaan, cuma terdapat syarat-syarat yang masih perlu diperhalusi dan menjangkakan ianya bakal dikeluarkan dalam tempoh terdekat.

Memasuki fasa suku pertama tahun 2022, pihak jawatankuasa Conveyancing telah menerima aduan daripada beberapa peguam apabila Pejabat Tanah & Galian telah menolak perserahan kaveat persendirian yang dimasukkan oleh Bank ke atas tanah-tanah Rizab Melayu, hal yang mana tidak pernah berlaku sebelum ini. Penolakan ini dibuat berdasarkan Seksyen 11 Enakmen Rizab Melayu dan terpakai untuk empat buah negeri Melayu Bersekutu iaitu Selangor, Pahang, Selangor dan Perak. Sebelum membuat apa-apa susulan dengan pihak Pejabat Tanah, pihak Perak Bar telah terlebih dahulu menyemak dengan rakan sejawatan dari tiga negeri lain dan membuat keputusan untuk tidak membawa hal ini untuk diperbincangkan dengan Pejabat Tanah dan Galian memandangkan penolakan kaveat persendirian tersebut dibuat atas peruntukan statutori sedia ada. Pihak Perak Bar juga telah menjawab persoalan ini secara umum melalui pekeling yang diedarkan kepada para ahli.

Turut mendapat perhatian adalah pengenaan duti setem penuh ke atas dokumentasi-dokumentasi yang dahulunya dikenakan duti setem nominal oleh pihak Lembaga Hasil Dalam Negeri. Isu ini walau bagaimanapun telah diperjelaskan secara lebih terperinci oleh pihak Ibu pejabat LHDN melalui satu mesyuarat atas talian yang dianjurkan oleh pihak Conveyancing Practise Committee (Badan Peguam Malaysia) bersama wakil-wakil jawatankuasa Badan Peguam setiap negeri pada 10 Mei 2022.

Seterusnya, pada 18 Mei 2022, pihak Jawatankuasa Perak Bar turut mengadakan pertemuan dengan LHDN bertempat di bangunan LHDN bagi membincangkan tentang pengurusan seminar dan urusan yang melibatkan mereka dan juga ahli-ahli Perak Bar. Perjumpaan tersebut memberi kesempatan untuk kedua-dua pihak Perak Bar dan LHDN membincangkan secara dua hala tentang perintah-perintah peremitan terkini dan akan datang, e-stamping (duti setem), dan turut menyentuh aduan peguam berkenaan tempoh masa yang diambil untuk proses adjudikasi terutamanya dokumen Pindahmilik (Borang 14A). Pihak LHDN pula turut menyentuh berkenaan kesilapan peguam-peguam dalam menyerahkan borang-borang Cukai Keuntungan Harta Tanah kepada pihak LHDN untuk diproses.

Impak yang lebih signifikan dalam perubahan amalan conveyancing tahun ini melibatkan penguatkuasaan satu dasar baharu dalam pepelupusan dan pemerolehan Rumah Kos Rendah

oleh Lembaga Perumahan Dan Hartanah Perak (“LPHP”) yang berkuatkuasa mulai dari 29/05/2022. Penguatkuasaan ini memberi kesan kepada para peguam yang mengendalikan tindakan sub-sale rumah kos rendah kerana penguatkuasaan dasar tersebut bukan berkuatkuasa ke hadapan tetapi juga untuk semua kes sebelum tarikh penguatkuasaan. Setelah beberapa perjumpaan dengan pihak LPHP, pihak Perak Bar telah mendapat pengecualian sebagaimana yang dicadangkan.

Pihak Perak Bar juga telah menerima jemputan dan menghantar wakil untuk menyertai Hari Tanah Negara Peringkat Negeri Perak yang berlangsung di Hotel Impiana, Ipoh pada 25/08/2022. Penyertaan oleh Perak Bar ini adalah sebagai tanda menunjukkan sokongan kepada Pejabat Tanah & Galian Negeri Perak yang selama ini telah memberikan kerjasama dalam urusan para ahli Perak Bar khususnya.

Terima kasih.

SYARIAH LAW

SUB-COMMITTEE REPORT

Pada asasnya peranan jawatankuasa syariah tidak secara langsung melibatkan keseluruhan ahli majlis peguam perak namun secara tersembunyi dan tidak disedari banyak peranan dan tanggungjawab yang boleh di laksanakan bagi memastikan peguamcara dan peguambela yng turut beramal sebagai peguam syarie tidak dipinggirkan dan memperolehi maklumat serta informasi terkini mengenai undang-undang Syariah Negeri Perak.

Sehubungan dengan itu beberapa program telah diadakan dengan kerjasama Persatuan Peguam Syarie Perak. Antara program-program yang telah berlangsung adalah seperti berikut:

1. Bual bicara secara di dalam talian mengenai isu hibah, hadhanah dan etika peguam syarie.
2. Mesyuarat Jawatankuasa Deraf Enakmen Guaman Syarie Perak yang di adakan sejak awal tahun 2022 sehingga Jun 2022 yang meliputi beberapa sesi Mesyuarat dan Perbincangan "brain storming" yang mana turut melibatkan Jabatan Kehakiman Syariah Negeri Perak. Wakil Persatuan Peguam Syarie Perak, Wakil daripada Jabatan Bantuan Guaman Perak, wakil daripada Bahagian Sokongan Keluarga bagi melancar deraf cadangan Enakmen Guaman Syarie bagi negeri Perak.
3. Pada 30 haribulan Ogos tahun 2022 perancangan Jurnal Hukum Negeri Perak yang mengandungi kes-kes duluan yang di putuskan di dalam negeri Perak sebagai panduan kepada pengamal guman syarie dalam mengendalikan kes-kes yang melibat isu syariah atau keluarga islam.
4. Program Literasi Undang-undang Syariah yang di adakan pada 28 haribulan Oktober 2022 di SUK Perak.
5. Pada 24 haribulan Mac 2022 YAB Perdana Menteri telah mengumumkan penubuhan Pysat Batuan Guaman Syarie iaitu ringkasnya BAGUS yang merupakan suatu bentuk Bantuan Guaman Syarie yang dilancarkan bagi membantu klien dalam mencari solusi, khidmat nasihat dan pembelaan (bagi kes mal) melalui pengamal guman syarie yang dilantik oleh jawatan kuasa pemilihan BAGUS. Klien tidak membayar apa-apa yuran kerana bayaran akan di uruskan oleh pihak BAGUS dengan kerjasama daripada pihak kerajaan.

Saya percaya melalui peranan jawatankuasa syariah secara tidak langsung dapat berkongsi dan menyalurkan informasi terkini kepada peguamcara peguambela yang turut beramal sebagai peguam syarie di Negeri Perak khususnya.

CONTINUING PROFESSIONAL DEVELOPMENT

SUB-COMMITTEE REPORT

This has been the year of recovery for the world after the COVID -19 pandemic. However the world is operating in a new way with people getting used to working from home and becoming comfortable with home based learning. Accordingly the CPD committee has adapted to the new norm when for this year we organized talks through webinars.

The advantage of webinars is that we were able to conduct development programs without incurring cost. This was the benefit given to members where our members can attend webinars at no cost.

We conducted webinars based on 2 criteria :

- 1) Focus on bringing new topics previously never covered; and
- 2) Meeting the new trends in the law and to equip our members with knowledge of these new trends

With this objective we organized 2 webinars for the year 2023 for our members.

1. DUTIES AND RIGHTS OF PARCEL OWNERS IN STRATA DEVELOPMENT

Date : 22/06/2022
 Speaker : Ms. Sara Deo
 CPD Points : 2 CPD Points
 A total of 92 Participants attended the session

This webinar was conducted based on the trend in Ipoh with more condominium projects being developed . Lawyers need to be able to have some understanding of this area of the law to better advise clients. From the participation numbers it was a well received topic.

2. PRACTICAL TIPS IN TRACING A PERSON ONLINE

Date : 13/09/2022
Speaker : Mr. Foong Cheng Leong
CPD Points : 1 CPD Point
A total of 85 Participants attended the session

This interesting topic was mooted by a young member of Perak Bar who felt that this was relevant and helpful for lawyers who can use the internet to better help their clients. This Webinar too received a good response from our members.

I hope that these webinars benefited our members. For the benefit of members who may have missed the webinars for whatever reason, the webinars are available for viewing at our Perak Bar Facebook Group Page and the Perak Bar Young Lawyers and Pupils page.

The Perak Bar Committee has continued with the usual subscription of various other Law Reports and Journals together with the online e-law subscription which we believe will be of great use to our practitioners.

At the same time, we got book donations from senior members of bar. I would like to thank Mr. Viswanathan and Mr. Chan Kok Keong for their generosity.

We hope members will make good use of our library and the computer rooms as it is more streamlined and convenient to use with the modern facilities including a new computer.

Our redesigned webpage has been a one stop centre for members. Members can easily access to the latest information/ circulars as well as talks and seminars held by our Perak Bar Committee. The young lawyers and pupil in chambers have benefited from the ePOP system. With our ePOP system, pupils will file and upload their papers online thus eliminating the need of serving their papers personally to our office.

In order to disseminate information, we were earlier using the WhatsApp as our main social media platform. Due to limitation to number of participants enrolled in a WhatsApp group, we shifted to Telegram. Members are urged to join the WhatsApp and Telegram groups as we do share important announcements time to time.

Members could also join our Facebook pages (@Perak Bar Facebook Group) and Facebook (@Perak Bar Young Lawyers and Pupils Committee) for faster future updates. Photographs of the events are shared strictly for member's viewing.

Lastly, I wish to thank all Perak Bar Committee Members and especially our Chairlady for trusting me with this portfolio. My sincere thanks to Perak Bar staffs Ms. Charen and Cik Azie for assisting me. Not forgetting young lawyers, Sukhvinder Singh, Shassidaren, Privesh Paul Singh, Skanda Yagasena, Ong Hui Xue, Fadhlín and Sarrenya who tirelessly helped me in arranging the books.

LEGAL AID CENTRE [LAC] , NATIONAL LEGAL AID FOUNDATION [NLAF/YBGK] SUB-COMMITTEE REPORT

Chairman : Mr Varpal Singh A/L Menender Singh

Sub Committee Members : Mr. Balakrishna Balaravi Pillai
Ms. Nurafiqah Binti Abd Aziz
Mr. Amrick Singh Sadhu
Mr. Harbhajan Singh a/l Gurdial Singh
Mr. Kathan Maruthamuthu

Executive Officer : Ms. Saralawati Sulaiman

Office Administrator : Ms. Angelyn Pragasam

INTRODUCTION

We meet again to report on the activities of the Perak Legal Aid Centre and the National Legal Aid Foundation more commonly known as YBGK to all. The functions and purpose of the setting up of the National Legal Aid Center by the Bar Council more than 40 years ago and the YBGK is to ensure that justice is dispensed to all and not only to those who can afford to pay for it.

It was a busy year for the National Legal Aid Center and the National Legal Aid Foundation after the lockdowns thanks to the pandemic. Hic!

There were less issues of delayed or no payments related to work done by the hard working lawyers with NLAF in 2022 compared to previous years.

We are happy to report that the new Manager at NLAF headquarters had done good work to ensure that payments were paid timely but left after some months which led to a delayed period of time where payments were late till the appointment of another Manager.

We thank the lawyers concerned for their understanding during the period of transition.

1. LEGAL AID CENTER

At the Perak Legal Aid Centre, Ms.Saralawati has served with dedication and commitment this past year after taking over as the Executive Officer in ensuring the smooth running of the Perak NLAC.

The Committee had appointed Ms. Angelyn Pragasam as the administrative assistant to replace Ms. Saralawati but sadly she left us in January this year due to family commitments. We wish her all good things in her future undertakings and thank her for her dedicated

service to LAC Perak. Efforts are now in place to appoint a replacement and we await the Bar Council to make the final appointment as to our recommendation.

We thank those lawyers who volunteered to take up legal aid files. We are hopeful that the young lawyers will see the benefits of volunteering to take up legal aid files despite their busy schedule.

2. NATIONAL LEGAL AID FOUNDATION (NLAF/YBGK)

Meetings of the Bar Council National Legal Aid Committee and NLAF in 2022 were held in a hybrid manner ie. physically and by zoom to accommodate those who found it too difficult to travel when meeting were held on weekdays.

A variety of issues pertaining to payments to YBGK lawyers as well as various problems faced by NLAF lawyers were discussed. The committee has been always trying to make the working conditions and red tape involved for the NLAF lawyers to be more conducive and accommodating during remands and trials.

I understand that the new proposed rates of payments have been forwarded by the Bar Council to the NLAF headquarters for their consideration. We hope for an early and favorable response.

We successfully conducted the Part 3 training as well as the Part 1 and 2 training for lawyers who were interested to serve as NLAF lawyers. We are hopeful that those who successfully completed the training will serve with commitment. However there is a severe shortage of NLAF lawyers who are willing to take up trial files and we urge those who have completed the Part 3 training to start taking up trial files to avoid having the courts conducting trials with unrepresented accused due to in affordability to appoint a lawyer by the accused.

We hope to give back to society in ensuring the underprivileged and unrepresented accused are given fair legal representation on their day in court. The trainings were conducted by our own Perak Bar members as trainers. I take this opportunity to thank the trainers, Ms. Saralawati, Mr. Kenny, Mr. Balakrishna, Mr. Amani, Mr. Karthan and Mr. Ng Wei Jun for contributing their time and talent for a full day to ensure the success of the training program. We also congratulate to all those who were successful and thank you for willing to serve without expectations of handsome and fast remuneration.

3. CRIMINAL

There were hardly any issues raised with regards to Criminal law practice and I thank the criminal law practitioners for not raising any major issues and being accommodating with the courts.

Last but not least I would like to also take this opportunity to thank Ms. Saralawati and Ms. Angelyn at the Secretariat and all those who have assisted in one way or another to ensure the NLAC and its activities were realized as well as the smooth running of the NLAFF in ensuring representation for all was made possible.

The Perak Bar Social Committee has always been proud in hosting Sporting events to facilitate with a work and social balance in between its Members. In 2022, we had the pleasure of organizing several Sport events which had resulted in a positive outcome. It was a great time bonding with Members from different State Bars. We had the following events over the past year which has been memorable for all who had participated.

BADMINTON FRIENDLY MATCH

A friendly Badminton Match was organized with collaboration with the Social Committee in which Ms. Elaine together with our Ms. Ilavarasi who is our current State Bar Secretary took charge of the event which was held on 25.6.2022 at YMCA, Ipoh.

We had the pleasure of having several officers from the Judiciary to join us as well as our own Members who enjoyed their time while keeping fit burning their calories. We thank our sponsors for sponsoring the Trophies and prizes for this event. We thank Mr. Vivekananda for sponsoring the 1st prize Trophy which is named as the AMSP. Vivekananda Challenge Trophy will be used for upcoming friendly Badminton Tournament in the future.

INTERSTATE BAR GAMES 2022.

This year, the Selangor State Bar had the pleasure of organizing the Annual Interstate Bar Games 2022 (ISBG) which was long overdue as the Country was recovering from the lockdown imposed due to Covid-19.

The Perak State Bar sent their contingent to represent the State Bar to participate in the ISBG 2022 with close to 80 participants this year around. We had numerous players who joined several sports event namely Pool, Darts, Ladies Futsal, Football, Cross-Country and Netball. It was a tough competition between other participants from different State Bars for all Sporting events held.

Nevertheless, the Perak State Bar managed to bag in 2nd place for Netball which was headed by team captain, Ms Ruzitah and 3rd place in Pool which was headed by Mr. Kenny Lai. We will indeed come back stronger in the next ISBG and we thank the Selangor State Bar for being wonderful host and making the ISBG 2022 a memorable event for all.

PENANG PERAK BAR GAMES 2022

The Perak State Bar had the opportunity of organizing the Annual Penang Perak Bar Games 2022. This event was joined by the members of the Penang State Bar wherein I had the pleasure of working with Mr. Teh Ee Teng who is the current Sports Chairman of the Penang State Bar. The event was held on 9.9.2022 and 10.9.2022 and was graciously attended by many members of both the State Bars.

Sports events that were organized were, Tennis, Futsal (Premier & Veteran), Darts, Pool, Cross-Country, Volleyball, Netball, Badminton, Bowling and Football. Our Members took home the Trophy for Pool, Futsal, Netball and Football which ended with a whopping score of 6-0 despite the Penang State Bar having the victory of taking home the Championship Trophy. We thank Mr. Hafiz for sponsoring the Photographer who had taken pictures of the games and Mr Chong Kok Yew who sponsored a Badminton Challenge Trophy which will be used for the upcoming Penang Perak Bar Games 2022.

It was tough organizing and planning the event throughout after enduring Covid-19 but the Penang Perak Bar Games 2022 came out to be a success with the event ending with a wonderful dinner hosted for Members and players. We also thank the Penang State Bar Chairman, Mr Ravi who took time to attend to the games and dinner. We hope to come back stronger next year with the Penang State Bar hosting the games.

I had the pleasure of working with an incredible team who had made all the above events a great success. I humbly thank the Perak State Bar for being supportive for all events mentioned above. I also thank my sub-committee for all their hard work in making the Penang Perak Bar Games 2022 a great success. I hope that more Members will join in for future sporting events and to keep up with the traditions which have been on going for many years.

Cheers to a fruitful 2022/2023.

SOCIAL SUB-COMMITTEE REPORT

It has been a good year for the social committee for this term as we are open to travel and allow to have a large gathering. It wouldn't be possible for the past two years and truly grateful to have members who support the events we have organized for the past year. First, we started with Iftar Ramadan at the Royal Perak Golf Club and we followed with a badminton friendly match among lawyers, pupils in chambers and stakeholders from the Attorney General Chambers and the Judiciary. It was a great match and the winners went home with gifts and the rest of us with good memories. We did not stop the games there and the committee run the donation drive for stray animals led by our senior lawyer, Ms Minderjit Kaur. The donation box is still put up at the Perak bar and we truly appreciate it if members could drop by to give some donations to help for spaying and neuter the stray animals.

I'm also grateful to have dedicated and efficient subcommittee members; Xin Tong, Chelsea, Abby, Ong Hui Xue, Ilavarasi and Pui Yee who helped me tremendously in all the events especially Perak Bar Annual Dinner 2022 which was held on 26.11.2022 at Galasa Caldwell. We have received positive feedback from the members in which we hope the members who have attended had indeed enjoyed themselves. Lastly, we ended the year with Christmas Potluck at Perak Bar Auditorium in which members bought their home-baked cakes, and dishes as well as gifts to be exchanged. It was a fun evening for all of us.

As the social chair in 2022, it has indeed opened an eye to me that it's never an easy task to get all the members to gather but it's a definite goal to be achieved so we can have all senior and junior members know each other and continue the bond that we should build among lawyers. Hence, I hope and urge all members to take part in social events so we can continue to build and foster relationship among lawyers.
