**MINUTES OF THE 39TH ANNUAL GENERAL MEETING OF THE PERAK BAR HELD ON
13 FEBRUARY 2025
AT YMCA, PERAK DARUL RIDZUAN**

1. The meeting was called to order at 3.09 p.m. by Mr. Chairman, Mr. Balakrishna Balaravi Pillai. Mr. Chairman welcomed and expressed his gratitude to the members for attending the 39th Annual General Meeting (AGM) of Perak Bar. The quorum for the 39th Annual General Meeting was 103 members.
2. At 3.10 p.m., Mr Chairman invited the members to hold a moment of silence for members who are no longer with us.

**ITEM NO. 1 – TO CONFIRM AND ADOPT THE MINUTES OF THE PERAK BAR ANNUAL
GENERAL MEETING HELD 16.02.2024**

3. The Annual Report at pages 4 to 17 were perused by the members.
4. Mr. Vengetraman S/O Manickam proposed the minutes to be adopted and this was seconded by Mr.Vivekanandan AMS Periasamy.

ITEM NO. 2 – MATTERS ARISING FROM THE ABOVE MINUTES

5. At 3.23 p.m., the Chairman invited the members to deliberate on the minutes. The Chairman remarked that the silence from the members was unusual.
6. Mr. Lai Choe Ken, Kenny congratulated the Chairman on securing the parking lot for members and sought clarification on the validity of the parking arrangement.
7. The Chairman explained that the Tenancy for the parking area was for a period of three (3) years, by which time the new court complex building is expected to be completed and will provide sufficient parking facilities for members.
8. The Chairman further informed that the space measured 15,828.98 square feet and was previously used as a mini game lot. The previous occupant paid RM3,000 for the entire lot. However, the Chairman was of the view that such a large space was unnecessary and therefore decided to rent 30 parking bays exclusively for members. He further clarified that although MBI had earlier informed that the parking bays belonged to them, subsequent verification revealed that the parking lot belongs to Perbadanan Aset Keretapi (RAC).
9. To ensure proper management of the parking bays, the Chairman informed that a shared staff member from the Legal Aid Centre, Mr Adam Bin Tajul Muraz, has been engaged to assist in monitoring the parking area from 8.30 a.m. to 9.30 a.m., to ensure that non-members do not park there. Members must display a valid parking sticker to use the parking bays.
10. Mr. Lai Choe Ken, Kenny further enquired about enforcement measures in cases of misuse of the parking bays. The Chairman replied that vehicles parked without a valid Perak Bar parking sticker would be clamped, which he confirmed is permissible. To remove the clamp, a fine of RM50.00 is payable, and the affected party must contact the Perak Bar.

ITEM NO. 4 – ACCOUNTS FOR THE PERIOD 01.01.2024 – 31.12.2024

20. The Treasurer's Report was tabled before the meeting. Dr. Saravanabavan a/l Mathialagan stated that statement of account as of 31-12-2024 can be found in page 30. He stated that the surplus of RM44,542.93 due to increase of subscription fee. Receipts and payments account for the financial year can be found in page 31. Mostly expenditure is from payment of salary to the secretariat, operation costs, general repairs and maintenance such as air-conditioning ,repairing of the pipes, installing of grill gate due to the recent break in. Other expenses are from Perak & Penang Bar games. Dr. Saravanabavan a/l Mathialagan thanked Pn.Ruzitah Binti Sarbani for her effort in the success of the games and extensive report given. The expenditure was RM17,000 with 14 games where 15 people from the sub committee took part to assist. There was a total of 75 participants took part in the games winning 7 games.
21. Dr.Saravanabavan a/l Mathialagan further added that for the 60th annual dinner, there was an income of RM53,550.00. YB Kula has sponsored RM10,000 which we are yet to receive. Expenditure was RM97,587.70. The deficit is between RM30,000.00 to RM35,000.00 which is consistent with the previous year and social committee's budget. The detailed expenditure have been itemized and can be found in page 34.
22. Mr. Kenny Lai Choe Ken raised queries relating to expenditure incurred for sports and members' activities, including participation fees, training costs, volunteer allowances and related expenses. Dr.Saravanabavan a/l Mathialagan stated that per person is paid RM100.00, and that a full itemised breakdown of expenses was available for inspection upon request from the Secretariat or the Treasurer.

23. Mr. Purshotamdas a/l Nathermal further raised concerns regarding the figures reflected in the Public Bank audited accounts, particularly the item *Cash at Bank* on page number 34 item number four. It was clarified that the actual bank balance as of **31 December 2024** stood at **RM110,715.70**, and that the balance sheet figure in page 30 did not accurately reflect unpresented cheques.
24. Mr. Purshotamdas a/l Nathermal highlighted that the figures reflected on page 30 of the financial statement require amendment. He explained that the Cash at Bank balance should be stated as **RM110,715.70** instead of RM91,106.56.
25. Dr. Saravanabavan a/l Mathialagan clarified that the discrepancy arose due to the presence of unpresented cheques, which relate to expenses that have already been incurred but have not yet been presented to the bank. Although the cheques have not been cleared, the related costs remain valid expenses and must be recognised in the accounts.
26. Mr. Purshotamdas a/l Nathermal further emphasised that these unpresented cheques should be recorded under Payments/Expenses, as the expenses have already occurred. He recommended that the Treasurer make the necessary amendments to ensure the financial statement accurately reflects the organisation's financial position.
27. Following discussion, it was agreed that amendments were required to ensure that the accounts accurately reflected the true financial position.
28. The Chairman noted that there were two different versions of the proposal presented during the meeting and sought clarification on which version should be adopted. He specifically asked whether the meeting should proceed with Mr. Purshotamdas a/l Nathermal's proposal or Mr. Surindar Singh a/l Chain Singh's proposal.
29. Ms. Kamala Mahlini a/p P Jeganathan suggested that a footnote be included to provide clearer explanation and improve understanding of the figures presented.
30. In response, Mr. Purshotamdas a/l Nathermal explained that, from an accounting perspective, a footnote should not be placed on the balance sheet itself, as the balance sheet represents the official statement of accounts. He clarified that while explanatory notes or footnotes may be included elsewhere in the financial statements, the balance sheet must strictly reflect the final and accurate financial position.
31. Mr. Purshotamdas a/l Nathermal emphasised that the correct bank balance to be reflected is RM110,715.70, and not RM91,106.56, as this figure represents the true financial standing of the accounts.
32. The Treasurer's Report was proposed by Mr. Babu Raj a/l Raja Gopal, seconded by Mr. Vivekanandan AMS Periasamy and adopted subject to amendments on page 30.
33. At 3.50pm, Mr. Chairman informed the members that the current committee is dissolved.

ITEM NO. 9 – TO DELIBERATE ON THE MOTION PRESENTED BY THE PERAK BAR COMMITTEE

67. Mr. Chairman thanked Mr Mathialagan s/o Mathuramuthu for conducting the election. He thanked the outgoing Committee and welcomed all the newly elected Committee members.
68. Mr. Chairman tabled the motion by Mr Vivekanandan AMS Periasamy concerning the acquisition of a new building for the administrative and general use of the Perak Bar.

MOTION TO GRANT THE PERAK BAR COMMITTEE THE FULL AND UNFETTERED AUTHORITY AND DISCRETION TO PURCHASE A SUITABLE NEW BUILDING ANYWHERE IN THE CITY OF IPOH FOR THE PERAK BAR'S ADMINISTRATIVE AND GENERAL USE AS PROPOSED BY VIVEKANANDAN AMS PERIASAMY [APPOINTED CHAIRPERSON, (AD HOC) PERAK BAR NEW BUILDING COMMITTEE], ON BEHALF OF PERAK BAR, DATED 27TH JANUARY 2025.

WHEREAS the Perak Bar Committee has identified the need for additional space to accommodate the present and future needs of the members of the Perak Bar and to support the future growth of the Perak Bar.

WHEREAS the existing premises currently used by the Perak Bar Committee is no longer adequate to meet the growing demands for administrative and professional activities and to serve the needs of the members of the Perak Bar.

WHEREAS it is in the best interest of the Perak Bar Committee and its members to have a facility that meets their current and future needs, providing a conducive environment for professional growth and enhancing the overall function of the Perak Bar Committee and its members.

NOW IT IS HEREBY RESOLVED that the Perak Bar Committee be given the full and unfettered authority and discretion to purchase a suitable new building anywhere in the City of Ipoh which the Perak Bar Committee finds to be suitable to replace,

relocate, and/or serve as an additional building to the existing Perak Bar building for the administrative and general use of the Perak Bar Committee and its members.

Proposed by Mr Vivekanandan and seconded by Dr. Saravanabavan

69. Mr. Vivekanandan AMS Periasamy highlighted that, according to a past Chairman, Ms. Kamala Mahlini a/p P. Jeganathan, and Mr. Surindar Singh a/l Chain Singh, there is no separate legal entity called the “Perak Bar”; the entity officially belongs to the Malaysian Bar. Therefore, any purchase of property would ultimately be under the Malaysian Bar’s name. Mr. Vivekanandan AMS Periasamy explained that the current proposal is intended to authorize the Committee to identify and recommend a suitable building for purchase. An oral amendment reflecting this clarification was also proposed and noted.
70. Mr. Vivekanandan AMS Periasamy stated that, as lawyers, the members do not want to leave any loopholes. He explained that the proposed motion would be accompanied by an oral amendment.
71. Mr. Vivekanandan AMS Periasamy further suggested that, before the motion is brought to the floor, the oral amendment should be presented together with the main motion, so that both can be considered simultaneously rather than separately.
72. The Chairman invited Mr. Surindar Singh a/l Chain Singh to deliberate on the legal position. Mr. Surindar Singh a/l Chain Singh referred to Section 41 of the LPA. He explained that the established body corporate is called the Malaysian Bar. Under Section 41(2), the Malaysian Bar is a body corporate with perpetual succession and a common seal, and with powers, subject to this Act, to sue and be sued in its corporate name, to acquire and dispose of property, both movable and immovable, and to perform such acts as a body corporate may lawfully perform.

Section 41 :

(1) There is established a body corporate to be called the “Malaysian Bar”.

(2) The Malaysian Bar shall be a body corporate with perpetual succession and a common seal, and with power subject to this Act to sue and be sued in its corporate name and to acquire and dispose of property both movable and immovable and to do and to perform such other acts as bodies corporate may by law perform.

73. Mr. Surindar Singh a/l Chain Singh clarified that this means there is only one entity that can purchase buildings under the LPA. To date, 18 to 19 buildings have been purchased, all under the name of the Malaysian Bar, except for one building in Selangor, which is under joint ownership in certain circumstances. He noted that when the Selangor building was purchased, over RM1 million was paid from the state account.
74. Mr. Surindar Singh a/l Chain Singh added that, while he is in favour of the Perak Bar acquiring a new building, the motion needs to be amended to reflect that the power to purchase is derived from the Malaysian Bar. He suggested that he had drafted an amended motion to request the Bar Council to consider the purchase of premises for the Perak Bar Secretariat, should there be a need for it.
75. Mr. Surindar Singh a/l Chain Singh drew the Committee’s attention to the wording of the motion, particularly the final “resolve” part. He explained that clarity was needed to ensure the motion accurately reflected the intention of the Perak Bar.

76. Mr. Surindar Singh a/l Chain Singh suggested a twofold amendment. Firstly, the opening part of the motion should clearly state the purpose: to request the Bar Council to consider the purchase of premises for the Perak Bar Secretariat on behalf of the Perak Bar. Secondly, he proposed that the resolve clause be refined to read: “hereby resolve to request the Malaysian Bar to purchase the proposed premises for the use of the Perak Bar’s committee members and secretariat.”
77. He outlined his reasoning. His amendment aimed to formalize the request while clearly specifying the beneficiaries, namely the Perak Bar’s committee members and secretariat. The proposal was noted and would be considered for inclusion in the final motion.
78. Mr. Lai Choe Ken, Kenny noted that discussions about a new Perak Bar building have been ongoing for the past two years, with committees, including Mr. Vivekanandan AMS Periasamy and the Chairman, tasked to explore the purchase. He emphasized that any proposal must specify the building, its price, and its suitability, and be communicated to members. Mr. Lai Choe Ken, Kenny cautioned that the Perak Bar Committee cannot have unrestricted authority to purchase a building on its own; any final decision must be approved by the members at an AGM, with the Bar Council funding the purchase.
79. Mr. Vivekanandan AMS Periasamy reported that during the last AGM, several potential properties were identified. A vacant plot at Jalan Tun Sambathan and the current Legal Aid Centre were approached, but both owners were unwilling to sell. Another building next to the Perak Bar was available for rent but not for sale. The Committee also explored other possible lands but decided that acquiring an existing building would be more practical given the time required for approvals. He suggested that the Committee be given a mandate to continue searching for suitable properties.
80. To answer Mr. Lai Choe Ken, Kenny, the Chairman noted that according to a recent Bar Council ruling in the last 12 months, any property identified for purchase must first be approved by a motion at the AGM. Once a property is identified, the proposal must be brought back to the members for final approval.
81. Mr. S.V. Namasoo spoke up to clarify an important distinction. He observed that there are two separate issues involved: “The power to purchase a building lies with the Malaysian Bar,” he explained, “while the power to search for a suitable building rests with the Perak Bar. Right now, we are trying to address both in a single motion, which might be confusing.”
82. Mr. S.V. Namasoo proposed a practical solution: splitting the matter into two separate motions. The first motion would be addressed to the Bar Council, expressing the Perak Bar members’ intention to purchase a building and requesting the Malaysian Bar to act on their behalf. The second motion would allow the Perak Bar to begin searching for suitable premises in the meantime.
83. Ms. Kamala Mahlini a/p P Jeganathan highlighted that the idea of purchasing a Perak Bar building has been discussed since 2022 and 2023, including at the last AGM. She emphasized that the first step is for members to decide whether there is a need to search for a building. She explained that once a building is identified, the purchase proposal, including price and any renovation costs, must be presented to the general body of members for approval. The Malaysian Bar would handle valuation and the final purchase, and if necessary, a state loan could be applied for to cover renovation costs.
84. Ms. Kamala Mahlini a/p P Jeganathan urged that the Building Subcommittee and Perak Bar Committee identify the most suitable property and associated costs, then bring a full proposal to the members.

85. Mr.Amrick Singh Sandu expressed confusion regarding the proposed new building. He asked whether the plan was to replace the current building entirely or to acquire an additional property while keeping the existing premises, for example as a hall or multipurpose facility. He further raised questions about the status of the current building, noting that he was unsure whether the Perak Bar owns it or is renting it. Mr.Amrick Singh Sandu highlighted that if the building is rented, there could be legal considerations, as the Perak Bar, not being a separate legal entity, may not have the capacity to own property. His questions were intended to ensure clarity before any motions regarding the acquisition of new premises were made.
86. Mr Surinder replied that the current building will be sold. In response to Ms.Kamala Mahlini a/p P Jeganathan's question on whether there is a need to buy a building, he explained that it is like going back to the root of the earlier intention or motion.
87. The Chairman clarified that the current building is fully paid for and purchased by the Malaysian Bar. It is owned by the Malaysian Bar and provided for the use of the Perak Bar free of charge.
88. Mr.Vivekanandan AMS Periasamy noted that no other State Bar has two buildings, including the Selangor Bar, Kuala Lumpur Bar, and Kedah Bar. He explained that if the Perak Bar intends to acquire a new building, the current building would need to be sold. This addresses Mr.Amrick Singh Sandu's question, clarifying that the proceeds from the sale of the existing building would then be used by the Malaysian Bar to purchase the new premises. He added that the Malaysian Bar would also cover renovation costs as part of the acquisition process.
89. Mr.Vivekanandan AMS Periasamy addressed several questions raised during the discussion. He began by noting the rapid growth of the Perak Bar's membership, which now exceeds 1,200 members and continues to rise. He emphasized that the current building no longer provides adequate space even for small activities, underscoring the need for additional premises.
90. In response to Mr.Amrick Singh Sandu's earlier questions, Mr.Vivekanandan AMS Periasamy clarified that, as the Chairman had pointed out, the existing building is owned by the Malaysian Bar. It has been renovated to meet the Perak Bar's needs and is provided free of charge, with no rent payable. He further explained that the adjoining LAC building, which has been rented since 2012, was also fully renovated at the time. The Malaysian Bar continues to pay the rent for that building, allowing the Perak Bar to use it without additional cost.
91. Mr.Vivekanandan AMS Periasamy also reviewed the history of efforts to acquire additional land or buildings. Initially, the Perak Bar had applied for 3.2 acres of land in Meru, anticipating the new court building would be constructed there. However, plans had since changed, and the court had been relocated elsewhere. He noted that the search for nearby properties continues, focusing on options close to the current building that offer security, safety, and convenience. He highlighted some potential properties, including the building next to the Perak Bar, a large building on the right side, and vacant land opposite Ipoh Padang near Mr S.A. Lingam's office, but none were available for purchase.
92. Returning to the points raised by Mr Surindar Singh a/l Chain Singh , Mr.Vivekanandan AMS Periasamy acknowledged his expertise and indicated that amendments could be made in line with Mr Surindar Singh a/l Chain Singh's recommendations. He also mentioned that, as suggested by senior members, any proposed acquisition should be submitted to an Extraordinary General Meeting (EGM) for approval by the members.
93. Finally, addressing Ms. Kamala Mahlini a/p P Jeganathan's query regarding loans, Mr.Vivekanandan AMS Periasamy advised that the motion should not include any reference to

loans, as it could complicate matters and give the impression that funds would automatically be provided, which may not be the case.

94. Ms. Sheanna Shanta a/p Kenneth Velu added her perspective, noting that the various inputs provided had been insightful. She reminded members that the same motion had been raised the previous year but the Committee was unable to explore it in depth at that time. She emphasized that, before proceeding, it was important to first gauge consensus from the members.
95. Referring to Ms. Kamala Mahlini a/p P Jeganathan's earlier point, Ms. Sheanna Shanta a/p Kenneth Velu suggested that the Perak Bar members should decide whether there is indeed a need for a new building and that a working paper should be prepared accordingly. She pointed out that continuing to debate the location of a potential building, whether near or far, was unnecessary until there was agreement on the fundamental question of need. She noted that efforts to locate a suitable building had been ongoing for many years, even during Mr. Vivekanandan AMS Periasamy's tenure as former Chairman.
96. Ms. Sheanna Shanta a/p Kenneth Velu then proposed that the floor be asked to indicate their consensus on the matter, questioning whether this could be done immediately through a show of hands from the members present or whether it would require an Extraordinary General Meeting (EGM) to make such a decision.
97. Mr. Surindar Singh a/l Chain Singh raised a point of order, clarifying the proper procedure regarding the motion. He explained that, from his understanding, the proposed motion ultimately stands according to the wishes of the proposer, whether it is to be amended or reverted to its original form; that decision rests with Mr. Vivekanandan AMS Periasamy. The motion could then be presented to the floor for members to vote in favour, against, or to abstain, as is customary in general meetings.
98. The Chairman acknowledged that Ms. Sheanna Shanta a/p Kenneth Velu's suggestion of gauging members' views on whether a new building is needed was conceptually correct. However, he noted that it would not be possible to put the question to an immediate vote on the floor. According to the rules of the LPA, motions must be submitted to the secretariat at least seven days prior to a general meeting. Consequently, any "pre-motion" or informal vote raised during the meeting would not follow the LPA, and members present would not be empowered to decide or vote at that time.
99. Mr Babu Raj a/l Raja Gopal added that lawyers often tend to complicate matters that are quite simple. He explained that the motion under discussion essentially asks whether a new building is needed. A vote in favour would indicate that members agree there is a need, while a majority vote against would indicate that there is no need.
100. He further clarified that, at this stage, the motion only seeks to authorize the sub-committee to search for potential properties. Any proposed property would still need to be presented to the floor, and an EGM would be convened for members to approve any purchase. He emphasized that the current vote is only for preliminary work to authorize the search for a property and that further decisions regarding loans, funding, or full financing from the Bar Council would depend on the price and specifics of the property once identified.
101. Ms. Kamala Mahlini a/p P Jeganathan clarified that she was not putting forward a motion and that there had been some misunderstanding regarding her position. She emphasized that it was never her intention to call for a vote on whether the members agreed or disagreed. Drawing on her experience as a former chair, she stated that she personally supports the motion that the Perak Bar

needs a new building. However, she expressed concern that the discussion being revisited at this AGM risked repeating the same debates that occurred last year and potentially could carry over into future AGMs.

102. Ms.Kamala Mahlini a/p P Jeganathan suggested that, for the sake of finality, members should focus on the preamble and acknowledge that there is a genuine need for a new building. Those who disagreed could raise their concerns at that time. She stressed that she had no intention of proposing a motion but wanted clarity on the matter.
103. Ms.Kamala Mahlini a/p P Jeganathan also noted that preliminary work regarding the search for a building had already been undertaken. An ad hoc committee had been formed two to three years ago, and committee members had already conducted research and investigated potential properties. She questioned whether the floor intended to disregard all prior efforts and start the process afresh, emphasizing that much work had already been completed and should be considered.
104. Mr.Vivekanandan AMS Periasamy expressed his gratitude to all members for their valuable insights, emphasizing that this matter is not the work of one or two individuals but a long-term initiative for the Perak Bar.
105. Mr.Vivekanandan AMS Periasamy explained that the revised motion, now reads: the Perak Bar Committee is granted full authority and discretion to propose a building or property to the Malaysian Bar, for the Malaysian Bar to deliberate and purchase the said property anywhere in the City of Ipoh, for the administrative and general use of the Perak Bar.
106. Mr.Vivekanandan AMS Periasamy noted that the Perak Bar Committee has already determined that additional space is urgently needed, as the current building is insufficient for functions and activities. He clarified that the Committee's role is to identify and propose suitable properties, and once properties and purchase prices are identified, the matter will be brought back to the members for approval.
107. Following discussion, the motion was adopted subject to amendments, namely that the Perak Bar Committee be authorised to identify and propose suitable premises, and that the acquisition be undertaken by the Malaysian Bar in accordance with applicable procedures and approvals.

(As amended)

CHAIRMAN'S REPORT PERAK BAR COMMITTEE TERM 2025 / 2026

LANDMARK is the word that best encapsulates the 2025/2026 term of the Perak Bar.

This term will be remembered as a defining chapter in the history of the Perak Bar, marked by purposeful engagement, meaningful institutional progress, and the successful organisation of the Perak Bar's Inaugural Law Conference. Collectively, these efforts reflect the Bar's continuing commitment to professionalism, service, and the advancement of the administration of justice.

PERAK BAR INAUGURAL LAW CONFERENCE

The highlight of the term was undoubtedly the successful organisation of the Perak Bar's Inaugural Law Conference, held on 11 October 2025. This Conference represented a bold and forward-looking initiative by the Perak Bar Committee, aimed at creating a substantive platform for legal discourse and professional development at both state and national levels.

The Conference was officiated by the Right Honourable YAA Datuk Seri Utama Wan Ahmad Farid bin Wan Salleh, Chief Justice of Malaysia, together with YB M. Kulasegaran, Deputy Minister in the Prime Minister's Department (Law and Institutional Reform). Their presence lent significant stature to the event and underscored its importance within the wider legal fraternity.

The response from members and the legal community exceeded expectations. The Conference was fully sold out, necessitating its expansion into a hybrid format to allow for online participation. This strong turnout reflected both the relevance of the subject matter and the appetite within the profession for high-quality legal engagement.

A defining strength of the Conference was the exceptional calibre and diversity of its speakers, moderators and attendees. Participants benefited from insights shared by Judges of the Federal Court, Court of Appeal, and High Court, as well as Industrial Court Chairmen, alongside experienced practitioners and subject-matter experts. The Conference was further honoured by the attendance of Justices of the Ipoh High Court, reinforcing its standing as a significant professional event. We thank all our distinguished speakers and attendees from the bottom of our hearts for their time, generosity, and invaluable contributions, which made this inaugural Conference truly meaningful and memorable.

CONFERENCE SPONSORS

The Committee gratefully acknowledges the generous support of the sponsors of the Perak Bar's Inaugural Legal Conference, without whom the event would not have been possible. Our sincere appreciation is extended to M/s Nicky Chen & Partners, Fairview School, Lexus Automobile, Current

Law Journal (CLJ), M/s Maxwell Kenion Cowdy & Jones, M/s Rusnah Loh & Ng, Scribe, and Zus Coffee for their confidence in the Perak Bar and their support of professional development initiatives. The Professional Standards & Development Committee (PSDC) played a central role in ensuring the success of the Conference. I wish to record my appreciation to Ms. Elaine Foong Sook Yen, as Chairperson of the PSDC, and to the members — Mr. Babu Raj, Ms. Ila, Ms. Chelsea, Ms. Abby, Mr. Meor, Ms. Husna, Ms. Presna, Ms. Kareena, Ms. Gurpreet and Ms. Sharfa — whose dedication, teamwork, and attention to detail were instrumental in delivering a high-quality programme.

ENGAGEMENT WITH THE NEW IPOH COURT COMPLEX

On 19 June 2025, members of the Perak Bar Committee conducted a second site visit to the new Ipoh Court Complex. The Bar was accorded due prominence, particularly in discussions relating to facilities for practitioners.

Following the site visit, the Committee hosted an appreciation lunch at the Ipoh Club with YB M. Kulasegaran, a former member of the Perak Bar (called to the Bar in 1983). Assurances were received from the Bahagian Hal Ehwal Undang-Undang (BHEUU) on the provision of a properly sized and designated Bar Room.

Parking remains an ongoing engagement, as only approximately 170 car parking bays can be constructed for court staff, lawyers, and members of the public due to height restrictions and zoning limitations imposed by Majlis Bandaraya Ipoh (MBI). The Committee continues to engage with the relevant stakeholders with a view to maximising the allocation of parking spaces for lawyers.

RM 20,000.00 CONTRIBUTION FOR THE PERAK BAR CAR PARK

I also record the Committee's appreciation to YB M. Kulasegaran for his continued support, including a contribution of RM 20,000 to the Perak Bar, which he had advised be utilised to subsidise the monthly rental of RM 1,200 incurred in securing parking facilities for Ipoh practitioners. To date, this remains the only such initiative in the history of the Malaysian Bar where a State Bar Committee proactively identified, secured, and rented a plot of land near the the court complex specifically to assist members in addressing the longstanding issue of car parking.

SUPPORT FOR THE MANJUNG SESSIONS COURT

During the term, I was invited to the Manjung Court Complex to study and provide input on the need for the establishment of a Sessions Court in Manjung. The Perak Bar fully supported the proposal, and I am pleased to record that the Manjung Sessions Court was subsequently established and opened, improving access to justice in the region.

Special appreciation goes to our Honorary Secretary, Ms. Sharmila Raj, who continued to serve with professionalism despite the passing of her father, the late Mr. A. Iruthaya Raj, a former Chairman of the Perak Bar. The Bar extends its sincere condolences to her and her family.

The Bar also extends its sincere condolences to Committee Members who suffered the loss of their parent(s) during the term. In particular, we record our condolences to Mr. Sukhvinder Singh on the passing of his late mother, Madam Charanjit Kaur, and to Ms. Celia Tan on the passing of her late mother, Datin Leong Ngah Leng, as well as her late father, Datuk Tan Yee Khan, a national sports hero

and Thomas Cup winner. Notwithstanding these personal losses, both members continued to serve the Bar with professionalism and dedication throughout the term.

Moving on, our Treasurer and Committee Member in charge of Secretariat Affairs, Dr. Saravanan Mathialagan, managed the Bar's finances with prudence, enabling sponsorship of lawyers and pupils and continued growth in fixed deposit and current account balances.

Under the stewardship of the Courts Liaison Committee, chaired by Mr. S. V. Namasoo, the Perak Bar maintained constructive and professional engagement with the courts throughout the term. Issues raised by members were communicated through appropriate channels, and I am pleased to record that most matters highlighted were addressed and resolved, reflecting the value of sustained and collaborative dialogue with the Judiciary.

Under Puan Ruzitah binti Sarbani, the Sports Sub-Committee recorded notable achievements during the term, including the Perak Bar Football Team's commendable runners-up position at the MYBAR Games. In addition, the Penang–Perak Games held in Penang were very well organised, and although the Perak Bar narrowly missed out on the overall championship, the team's performance was a credit to the Bar. The Committee also planned the inaugural Perak Bar Night Run, which is scheduled to be carried out in April next term.

I also wish to place on record my appreciation to Ms. Celia Tan, Chairperson of the Conveyancing Sub-Committee, who together with her Sub-Committee members has successfully addressed most, if not all, of the issues raised with the Pejabat Tanah dan Galian, through consistent engagement and constructive dialogue.

Under the leadership of Mr. Ng Wei Jun, Chairperson of the Legal Aid Centres (LAC), Yayasan Bantuan Guaman Kebangsaan (YBGK), and Criminal / Human Rights portfolios, the Perak Legal Aid Centres have become among the most active and vibrant in the country, reflecting strong volunteerism and commitment to public service.

Under the guidance of Ms. Nur Aqilah binti Mohammad Zaibi, Chairperson of the Young Lawyers and Pupils Sub-Committee, the portfolio remained exceptionally vibrant. A multitude of activities were organised, ranging from pickleball and hiking activities to informal engagement platforms. Notably, the now well-known "Chit Chat at the Bar" sessions, which were started during the last term, continued to flourish under her stewardship, fostering camaraderie and engagement among young members of the Bar.

Under the leadership of the Infrastructure Sub-Committee, chaired by Ms. Kareena Kaur and Ms. Sharmila Raj, further improvements were made to the Bar's facilities. The Secretariat was spruced up, with photographs that had remained piled up for several years since the last renovation now properly displayed, restoring both order and institutional memory.

A new stage was installed in the auditorium, with the old stage—having deteriorated over time—finally removed. This was fully funded by the Malaysian Bar and did not involve the use of Perak Bar funds.

A full body-length mirror was also installed in the High Court Bar Room to enable members to check and adjust their attire and appearance before entering court. Given the limited space available within the Bar Room, this represents the closest practical alternative to a traditional robing room.

I also wish to place on record my appreciation to Dato' Shamsuriah Sulaiman – Syariah, Puan Rahimi Ramli – Building & Bahasa Melayu, and Mr. Sukhvinder Singh – Social. Without their leadership and commitment, the work of the Committee during this term would not have been complete.

ADDITIONAL BUILDING FOR PERAK BAR

The Committee also undertook a forward-looking initiative to explore the acquisition of an additional building to meet the growing needs of the Perak Bar, in line with the adoption of a motion passed at the previous year's General Meeting concerning the acquisition of a new building. This effort was spearheaded by the Building Sub-Committee, chaired by Puan Rahimi Ramli, with the guidance, experience and assistance of Mr. Vivekanandan AMS Periasamy, to whom I extend my sincere thanks for their dedication and commitment in driving this initiative forward.

In this regard, the Subcommittee, together the main Committee conducted an extensive review of available options, during which fifteen (15) separate properties were viewed and assessed. Following careful consideration, one suitable property located at Tin City, approximately 2.2 kilometres from the Ipoh High Court, was identified and earmarked. A Letter of Intent to purchase has since been submitted to the Bar Council for its consideration.

For the avoidance of doubt, this proposed acquisition is not intended to replace the current Perak Bar building, which was purchased in 1999 and will be retained for administrative purposes, including housing the Legal Aid Centre and YBGK Secretariat. Rather, the proposed additional building is intended to serve as a dedicated facility to house an auditorium, event space, and library.

The identified property is a brand new three-storey building, with the structural capacity to accommodate the installation of a lift, thereby ensuring accessibility and suitability for long-term use. This initiative reflects the Committee's commitment to future planning and to providing facilities that support the professional, educational, and community activities of the Perak Bar.

Members are further advised that, should the Bar Council give its approval in principle to proceed with the proposed purchase, an Extraordinary General Meeting (EGM) of the Perak Bar will be convened, as the acquisition would require the consent of the members. The indicative asking price for the property is RM 1.7 million, and it is envisaged that the purchase, if approved, will be fully funded by the Malaysian Bar, without recourse to Perak Bar funds.

STAFF WELFARE- Ms. Kariam Kaur ("Charen")

The Bar records its appreciation for Ms. Kariam Kaur, who fell gravely ill and was on medical leave exceeding 60 days. Her contract, previously extended despite attaining the mandatory retirement age of 60, was regrettably terminated due to her inability to continue work. Her last day of service will be 28 February 2026.

Members generously contributed RM 14,280.00, with the Committee adding RM 2,000.00, reflecting the compassion and solidarity of the Perak Bar.

CARE AND SUPPORT FOR MEMBERS OF PERAK BAR

I would also like to take this opportunity to gently remind members that should any member be gravely ill or face any unforeseen tragedy, they are encouraged to inform the Perak Bar. This extends as well to situations where members become aware of another member facing such difficulties. The Bar stands ready to assist in any manner possible; however, we are only able to do so if we are made aware of the circumstances. By way of example, the Perak Bar has provided monetary assistance to members affected by floods, including seeking assistance from the Malaysian Bar's LawCare Fund, with the Perak Bar providing additional support where possible.

ANNUAL DINNER

Members are advised that the Committee made a considered decision not to organise the Annual Dinner during the present term. This decision was taken in view of the Law Conference being designated as the flagship event of the term, requiring substantial planning, resources, and focus. The Committee was of the view that prioritising the Conference.

APPRECIATION TO COMMITTEE, SECRETARIAT AND STAFF

I sincerely thank each of my Committee Members and the Secretariat staff for their unwavering commitment and dedication throughout my tenure. Their cooperation and professionalism ensured the smooth functioning of the Bar during the term.

Special appreciation also goes to Ms. Kariam Kaur, Ms. Cik Nur Aziela from the Secretariat, Pn. Saralawati Sulaiman and Ms. Joan Tang from the Legal Aid Centre, as well as our hybrid staff serving both the Secretariat and the Legal Aid Centre, Mr. Adam Tajol Muraz. Their diligence and responsiveness ensured that tasks were executed promptly and efficiently.

I also warmly welcome our new staff member, Ms. Dhivya Nair, who has recently joined the Secretariat. We look forward to her contribution and wish her a fulfilling tenure with the Perak Bar.

On a personal note, I thank all who have contributed to the work of the Perak Bar during this term. The achievements recorded herein stand as a strong foundation for future progress.

With gratitude and confidence in the Bar we serve, we move forward together.

Perak Bar Committee 2025/2026

FINANCE AND SECRETARIAT REPORT

The financial status is reflected in the balance sheet, income, expenditure accounts and cash flow statements. Despite our usual expenditures, we have been able to increase our fixed deposit amount to RM700,000.00 and the 'cash at bank' which now stands at RM 101,238.20. The Perak Bar's financial position remains strong and stable. The full details of the financial position can be found in the Audited Accounts for the period ending 31 December 2025. The Perak Bar Committee derives its income from members' annual subscription of RM150.00. We have also kept our auditors apprised of our spending by sending them 3- monthly accounts.

The Secretariat will continue its ongoing efforts to review and strengthen internal controls across all operational and financial processes. Increased emphasis will be placed on enhancing awareness among the Perak Bar Committee and support staff to reinforce internal controls and financial protocols throughout the Perak Bar. These efforts support our ongoing objectives of maintaining financial discipline, promoting efficient processes, and upholding a strong governance framework from an audit perspective.

The Secretariat plays an integral and vital role in supporting the work of the Perak Bar Committee and its Sub-Committees. With the exception of the Legal Aid Centre, which operates with its own staff, the projects and activities of the Sub-Committees are coordinated and managed by the Perak Bar Secretariat. The Secretariat has worked diligently throughout the year to ensure the seamless operation of its daily functions and the successful execution of Perak Bar's projects and initiatives. Their tireless efforts have been instrumental in supporting the committee's objectives and serving the members effectively. In addition to these responsibilities, the Secretariat also manages regular tasks such as recording meeting proceedings, processing Petitions for Admissions to the Bar, collecting annual subscriptions, overseeing accounts and responding to day-to-day inquiries from members of the Bar, pupils, and the public. The Perak Bar is fortunate to have a loyal and committed team, most of whom have been with the organisation for many years.

Also as the members are aware, our staff member, Ms. Kariam Kaur, has been taken ill and her ongoing medical expenses have placed a significant financial strain on her and her family. In light of this, we initiated a crowdfunding effort to help cover her medical bills as well as her family's daily living expenses during this difficult period. To everyone who contributed, please accept my sincere thanks for your kindness and for standing by a staff member of our Perak Bar secretariat in her time of need.

With a commitment to excellence, we continuously strive to refine our operations, ensuring they meet the evolving needs of our members. We wholeheartedly welcome any feedback or suggestions that will help us further enhance our effectiveness and better serve the members of the Perak Bar.

Most notably in 2025, we organized a Perak Bar Law Conference wherein the Chief Justice delivered the keynote address and the Deputy Minister of Law graced us with his presence. The Perak Bar Law Conference did not leave us with a deficit thanks to sponsors and members who threw their support for the Conference to make it a great success.

Also, in 2025, the Perak Penang Bar Games was held in Penang. We subsidized the Perak players who participated and attended the Games in Penang. For MyBar games, Bar Council subsidized accommodation whereas Perak Bar subsidized the participants' travel expenses.

Further, it must be borne in mind that most of the Seminars, talks and forums organized by Perak Bar are free for all members and subsidized by Perak Bar. The Perak Bar Committee continues to rent 28 parking lots from Railway Assets Corporation with monthly rent of RM1,200.00 to alleviate the parking woes experienced by Perak Bar members.

We take a disciplined approach to managing our finances. All events and activities require an approved budget before proceeding. Each quarter, we assess anticipated future expenditure and request sub-committee members to prepare financial forecasts. This ensures that our resources are allocated to our key priorities. We aim to ensure that the Perak Bar's funds are sufficient to meet all in-year budgeted expenditure, thereby safeguarding its financial stability. Cash flow is closely monitored throughout the year to support this objective.

ACKNOWLEDGEMENT

I wish to thank the members of the Perak Bar Committee, and the Secretariat staff particularly Ms. Kariam Kaur and Ms. Nur Aziela Binti Zamri for their invaluable input and commitment in managing the Secretariat and assisting with the Perak Bar's finances. Special thanks to Mr.Elavarasan, Mr Kenny Lai dan Mr.Surindar Singh for their assistance. I wish the incoming committee the very best and success for the incoming term of office.

REPORT BY THE PERAK BAR REPRESENTATIVE

The year 2025 proved eventful for the Bar Council as it continued working towards protecting the interests of members whilst overseeing many other matters affecting the legal profession as a whole.

Of particular recent interest is the coming into force of the Legal Profession (Publicity) Rules 2025 (the new Publicity Rules) which were gazette and published on 26.12.2025 and which came into effect on 1.1.2026. Prior to this, the Bar Council had sought feedback from members vide Circular No 169/2022. Upon collating all relevant feedback, the Legal Profession Committee (LPC) undertook the mammoth task of conducting a thorough and comprehensive review and revamp exercise and worked with the Attorney General's Chambers, all of which took several years in planning. Pursuant to the new Publicity Rules, LPC is in the midst of reviewing the existing Rules and Rulings of the Bar Council and further information on any new rulings and/ or amendments to the existing ones, will be made known to members in due course.

In furtherance of promoting advancements in the legal profession, the Bar Council, through its various Committees, has organised numerous conference, summits, webinars, talks ets, such as the National Criminal Law Conference on 10.1.2026, the National Conveyancing Conference on 4.8.2025, the annual Human Rights Festival on 7.12.2025, the Tech Law Conference on 20.1.2026 and the Islamic Finance and Waqf Summit on 24.1.2026, just to name a few. Members are encouraged to attend and take part in the diverse and interesting range of topics offered in these forums which offers insights and updates on new developments in the respective field of discussion.

Conveyancing being a major area of practice for members, the Conveyancing Practice Committee (CPC) has been actively providing updates on several major changes by the relevant authorities:

- a) Amendments to the Real Property Gains Tax Act 1976 which came into force on 1.1.2025, which came about pursuant to the introduction of electronic filing and self assessment systems;
- b) Amendments to the Stamp Act 1949 which established the legal framework for a self assessment stamp duty system, requiring electronic filing of stamp duty returns and the requirement for record keeping of all relevant documents (and instruments) for a period of 7 years from the date that the duty is paid.

On 30.5.2025, the Perak Bar Professional Standards & Development Committee together with yours truly, organised the MyConsti Talk by Mr Joshua Wu Kai-Meng, the ex Co chair of the Constitutional Committee of the Bar Council, which was well attended by members of the Perak Bar. This talk provided a general overview of the Federal Constitution, its origin and nature with the intent to bring awareness to our members.

Members of the Perak Bar are encouraged to take part in the wide array of programmes, activities, seminars, talks, webinars and such like, organised by the Bar Council. It is also noteworthy to state that the journal of the Malaysian Bar, INSAF, which first appeared in January 1967, publishing case notes, book reviews, commentaries, articles and academic papers, has seen a revival in its relaunch in 2022, with a collaborative effort with International Islamic University, Malaysia. This provides an excellent opportunity for members to submit their legal articles to the editorial team, thereby contributing to a robust developing platform for exchange of views and ideas.

As my term as your Bar Representative draws to a close after a 2 year period, I extend my heartfelt appreciation to all who have assisted me in one way or another.

Dated this 14th day of January 2026.

J Kamala Mahlini
Perak Bar Representative (2025/2026)

COURT LIAISON AND CIVIL PRACTICE COMMITTEE / MEDIATION COURSE REPORT

COURT LIAISON AND CIVIL PRACTICE SUBCOMMITTEE REPORT

The scope of this committee was to handle issues relating to civil law practice and in that respect to be a liaison between the legal fraternity, the Judiciary, Bar Council Malaysia and Government Agencies, if need be.

In discharging the said duty, a few meetings were held, formal as well as informal between the Perak Bar Committee (PBC) and the Judicial Officers of both the High Court in Ipoh and Taiping as well as the Subordinate Courts in Ipoh. The PBC has also raised issues with the Court Liaison Committee Bar Council Malaysia on issues pertaining to practice which could not be resolved at the state level.

The meetings with the Judiciary were held as follows:

- i) Courtesy call with the High Courts Judges and Judicial Officers on 30.4.2025 in Ipoh High Court premises;
- ii) Courtesy call with the High Court Judge and Judicial Officers on 13.11.2025 in Taiping Court premises;
- iii) A formal meeting with Pengarah Lower Court and Judicial Officers on 23.9.2025 and prior to that two informal meetings with Pengarah Lower Court on 21.8.2025 and 30.8.2025 at the Lower Court premises.

Pursuant to meetings under (i) and (iii) above, circulars were issued to Perak Bar Member and Pupils in Chamber as regards the matters raised and its outcome.

Also, the following matters were taken up by the PBC, some at its own behest and some upon the request of the Members and the updates are as follows:-

- i) the PBC received complaints that the applications for Letters of Administration and Grant of Probate filed in Ipoh High Court in respect of estates where the identity card showed that the deceased resided in Cameron Highlands or had properties within the jurisdiction of Cameron Highlands were being rejected and ordered to be withdrawn and refiled at High Court Temerloh, Pahang. This issue was raised with YA Hakim Utama Dato' Wahab bin Mohamed as it resulted in logistics, time and costs issues for Solicitor and clients. We requested based on *forum conveniens* for such matters to be heard in Ipoh High Court and His Lordship had graciously agreed and a circular to that effect was issued to all members.
- ii) recently several law firms have raised issues as regards fixing of reserve price vis-à-vis forced sale value in foreclosure proceedings. They wanted the court to exercise a more consistent, pragmatic, and flexible approach, particularly in cases where numerous attempts at auction were unsuccessful. The PBC has written a letter to YA Hakim Utama Dato' Wahab bin Mohamed on 17.12.2025 and still awaiting a response and will keep the Members updated.

- iii) The issue of refund of deposits in execution matters in the Lower Courts of Perak remains a perennial problem due to lack of uniformity in the refund application process. The PBC has raised this issue in its meetings with the previous Dato Pengarah Lower Court as well with the current Pengarah Lower Court on 23.9.2025 and have followed it up with letters dated 11.11.2025 and 10.12.2025 setting out the details of some cases where the refund has been outstanding since 2020. We are still awaiting a positive response from the Pengarah Lower Court and will keep Members updated. We have also taken up this matter with Court Liaison Committee Bar Council Malaysia.
- iv) the PBC at its own behest has written to the Lower Court for a schedule setting out the territorial jurisdiction of all Lower Courts in Perak for civil matters to ensure accuracy of filing cases and we are still awaiting a response.

The following circulars were issued to Members and Pupils in Chamber to keep them informed of the latest developments:-

- i) the opening of the Session Court Manjung;
- ii) the hearing of Code 33JP and 24F applications by the Sessions Court Judge with effect from 15.7.2025;
- iii) the opening of the additional High Court 4 in Ipoh Court Complex;
- iv) that the application for Letters of Administration and Grant of Probate in respect of estates where the identity card showed that the deceased resided in Cameron Highlands or had properties within the jurisdiction of Cameron Highlands can be filed in the High Court at Ipoh.

The PBC with a view to reviving the Bar Room in Teluk Intan Court premises wrote to the Teluk Intan Sessions Court Judge to do minimal renovation and to operate a small café since March 2024. The Judge has escalated the matter to Chief Registrar for approval. The Chief Registrar requested clarifications and the PBC duly responded in May 2024 but unfortunately our request was turned down to operate a café but minor revocation was permitted. However, we urge members to use the Bar Room failing which it will likely be taken back and used by the court due to shortage of space.

As the Chairman of this sub – committee I also attended several meeting of the Bar Council Court Liaison Committee to highlight matters that cannot be resolved at the state level.

The PBC has endeavoured to look into and resolve as many issues as raised by its members. In respect of some issues, we succeeded but not so in others. In those that we could not get a positive response the PBC will pursue it.

MEDIATION COURSE BY MIMC WITH PERAK BAR COMMITTEE

The above course was organized at Excelsior Hotel from 16.7.2025 to 20.7.2025 since pre-trial mediation will be made compulsory in due course. There was a total of 16 trainers from MIMC all in, which included 2 of our own, namely Kenny Lai Choe Kean and Choy Kam Lee.

There was a total of 30 participants which included 2 participants from Johor Bar. The cost per participant was RM1,600.00 which was enough to defray all the expenses. We managed to keep the cost per participant down partly due to the effort of the Chairman in getting the Malaysian Bar to absorb the travelling expenses of the trainers.

It was a tough and intense course and only 18 participants out of 30 participants passed the assessment and became Accredited Mediators.

The PBC will endeavour to actively promote mediation as an alternative method of dispute resolution not only among its members as an option for their clients to consider but also to the public at large and the commercial sector.

Bearing in mind that pre-trial mediation will be made compulsory, PBC has plans to organize a “Mediation Day” in due course with the theme “**Mediate Not Litigate**” not only to our members but also to the public at large.

Thank you.

4. IPOH NIGHT RUN, 2026; LIGHT UP FOR POLIO-FREE WORLD

Jawatankuasa Peguam Perak, Bersama dengan Malaysian Medical Association (MMA) and The Institutions of Engineers, Malaysia (IEM), dan dengan kerjasama Kelab-kelab Rotary Negeri Perak, akan menganjurkan acara larian – IPOH NIGHT RUN, 2026; LIGHT UP FOR POLIO-FREE WORLD. Ia bukan sahaja wadah atau platform untuk menggalakkan hidup secara sihat, memupuk perpaduan dan kemesraan. Bahkan sebagai sebahagian usaha untuk menyokong kempen kesedaran di peringkat global – “END THE POLIO NOW”.

Jawatankuasa Pelaksana Perak Bar bagi aktiviti ini terdiri daripada:-

1. Nur Aqilah binti Zaibi
2. Noraziah binti Aziz
3. Nur Sayyidah Syathirah Binti Mohd Shith Putera
4. Muhammad Aqil Danish bin Razlan
5. Mohamad Naim bin Kamaruddin
6. Nur Aziela binti Zamri

Aktiviti ini terdiri dari larian bersemuka dan larian virtual. Bagi larian secara bersemuka, tarikh asal yang ditetapkan adalah pada 23 Januari, 2026. Bagaimanapun, acara ini terpaksa ditangguhkan. Bagaimanapun, atas persetujuan Jawatankuasa Night Run, acara ini telah ditetapkan sepertimana berikut:

Tarikh : 10.4.2026

Masa : 7.30 malam

Tempat: Ipoh Padang

Peserta yang menyertai aktiviti ini bakal memperoleh e-Sijil, t-shirt dan pingat eksklusif, dengan bayaran yuran yang amat berpatutan. Amatlah diharapkan agar program ini mendapat sambutan yang menggalakkan dari ahli kemudian nanti.

Bagi kategori virtual, Perak Bar mengambil inisiatif untuk melibatkan murid-murid sekolah berumur 10 hingga 18 tahun dalam acara ini dan bagi membantu membangunkan aktiviti kokurikulum peringkat negeri. Murid-murid yang menyertai acara ini bakal memperoleh e-Sijil dengan pengiktirafan markah Pentaksiran Aktiviti Jasmani, Sukan dan Kokurikulum (PAJSK) peringkat negeri (tertakluk kepada keputusan Sektor Pembangunan Murid, Jabatan Pendidikan Negeri Perak). Pelaksanaan acara ini bermula dari 23.1.2026 sehingga 28.2.2026.

KESIMPULAN:

Sepanjang sesi 2025/2026, kami telah mencapai sasaran seperti mana berikut:

1. Ahli-ahli Perak Bar tanpa mengira usia sudah mula menjalani kehidupan lebih aktif dan lebih sihat. Ada yang berterusan mengekalkan aktiviti berjalan melebihi 3000 langkah sehari, menyertai acara larian 'half marathon', marathon juga 'fun run' secara bersemuka atau virtual. Selain itu ada yang sering mengadakan latihan pickleball, walaupun sekadar untuk bersuka ria.
2. Selain pasukan bola sepak premier yang sering menaiki podium di MyBar Games, pasukan bowling juga telah turut serta mengikut jejak pasukan bola sepak.
3. Dalam Penang-Perak Bar Games, pasukan bola sepak, futsal premier, dan pool telah mengekalkan status kemenangan. Futsal veteran yang sebelum ini hanya pertandingan persahabatan tetap mengekalkan kejuaraan walaupun statusnya bertukar kepada pertandingan. Pasukan futsal wanita juga telah memberikan kejutan kemenangan hasil dari latihan yang bersungguh-sungguh.
4. Kredit juga perlu diberikan kepada pasukan lain iaitu bowling, pickleball, e-sports, cross-country, bola tampar, bola jaring, darts, badminton serta tennis table yang berani tampil mengambil bahagian.

Bagi meningkatkan prestasi pasukan Perak Bar dalam pertandingan, berikut adalah saranan saya:-

1. Menubuhkan pasukan lebih awal;
2. Mengadakan klinik-klinik sukan untuk menambah baik kemahiran sukan;
3. Mengadakan latihan yang berterusan; dan
4. Mengadakan pertandingan-pertandingan persahabatan dengan mana-mana jabatan kerajaan atau badan-badan berkanun atau mana-mana pihak swasta yang lain;

Seterusnya kami ingin mengambil kesempatan untuk mengucapkan ribuan terima kasih kepada Cik Nur Aziela binti Zamri yang banyak memberikan bantuan dan sokongan dalam pengurusan sukan. Juga kepada semua pihak yang telah memberikan sumbangan sama ada dalam bentuk kewangan atau peralatan terus kepada pasukan-pasukan Perak Bar. Sumbangan yang diberikan telah meringankan kos perbelanjaan pasukan untuk latihan. Inilah semangat yang diperlukan. Ibarat kata 'BERAT SAMA DIPIKUL, RINGAN SAMA DIJINJING'.

Akhir kata renungilah potongan pantun ini;

Sampan kecil di hilir mudik,
Dayung patah galang sebatang,
Ikhtiar tidak datang bergolek,
Akal tidak datang melayang.

~ Profesor DiRaja Ungku Aziz ~

Sekian, terima kasih.

REPORT OF THE CONVEYANCING SUBCOMMITTEE

The Conveyancing Sub-Committee (“the Sub-Committee”) for the term 2025/2026 continued its efforts to engage with relevant authorities and organize beneficial programmes for members.

The Sub-Committee was chaired by **Ms. Celia Tan Yin Fong** and comprised the following dedicated members:

- Puan Nur Azean Lee Pooi Mun
- Ms. Chelsea Yiap Yee San
- Ms. Abby Phang Yuen Mun
- Mr. Gerald Chan
- Puan Awatif
- Ms. Parasmawari
- Puan Nurafiqah Binti Abd Aziz

DIALOGUE WITH AUTHORITIES: MEETING WITH PEJABAT PENGARAH TANAH DAN GALIAN (PTG) PERAK On 27th August 2025

- the Sub-Committee held a pivotal dialogue session with the Director and officers of the Pejabat Pengarah Tanah dan Galian (PTG) Perak to address pressing issues faced by conveyancing practitioners in the state.

- **Feedback Collection:** Prior to the meeting, a **Feedback Form** was circulated to all members to gather specific grievances and operational issues faced at the Land Registry. The responses were collated and used to formulate the meeting agenda, ensuring that the dialogue addressed the actual on-the-ground difficulties faced by practitioners.

The Conveyancing Sub-Committee and PTG Perak officials in session during the dialogue.

Key issues raised and discussed included:

- **Registration Delays:** The Sub-Committee highlighted the backlog in presentation registrations. The PTG acknowledged the issue, citing high volumes of submissions and staffing constraints.
- **Standardization of Procedures:** The Sub-Committee requested clearer "Rejection Guidelines" to ensure uniformity across different District Land Offices (PDT) and the PTG to prevent inconsistent rejection of documents.
- **Compliance Matters:** The PTG emphasized strict adherence to the Tenth Schedule format, the mandatory update of eTanah email addresses for law firms, and the prohibition of using recycled paper for official document copies.

Caption: Attendees listening to the briefing during the dialogue session.

SEMINAR ON E-INVOICING (8 JANUARY 2025) - To prepare members for the full implementation of the e-Invoicing system, the Sub-Committee organized a hands-on seminar on **8th January 2025**. Building on previous briefings, this session focused on operational readiness, specifically addressing the functionality of the **MyInvois Portal**, the mechanics of self-billing, and the treatment of disbursements and reimbursements. The seminar successfully clarified transitional rules, ensuring members were equipped to comply with LHDN requirements while maintaining client confidentiality.

SESI LIBAT URUS WITH HASIL PERAK (24 April 2025) - The Sub-Committee successfully held a "Sesi Libat Urus" (Dialogue Session) with officers from the Inland Revenue Board of Malaysia (HASIL) Perak at the Perak Bar Auditorium. The session was attended by 10 officers from HASIL and was well received by the lawyers. This format provided a closer way of interacting with HASIL Perak, allowing for a dynamic Q&A session where both HASIL officers and lawyers actively participated in the discussion. The dialogue covered three critical slots which is Stamp Duty Section (Seksyen Duti Setem / STAMPS), Real Property Gains Tax Section (Seksyen CKHT / eCKHT / STS) and Customer Service Section (Seksyen Khidmat Pelanggan / MyTax).

The session served to strengthen the cooperation between the Perak Bar and HASIL Perak, clarifying procedures to improve service integrity and compliance.

MEMBERS' ENQUIRIES AND ASSISTANCE - Throughout the term, the Sub-Committee actively attended to numerous queries from members regarding conveyancing practice and procedure. Queries largely revolved around land office rejections, delays in the issuance of consent, and clarifications on the Solicitors' Remuneration Order (SRO). The Sub-Committee acted as a liaison between members and the relevant land registries (PTG/PDT) to resolve individual case disputes and issued circulars to clarify recurring practice directions.

This year's achievements would not have been possible without the unwavering support of the **Perak Bar Committee**, particularly its Chairman, **Mr. B.K. Pillai**, who entrusted me with the privilege of serving on this subcommittee again. I am also deeply grateful to the staff, **Ms. Charen** and **Cik Azie**, for their tireless efforts in assisting us in all our endeavors. Ms Kamala who gives guidance to me to serve as a chair for Conveyancing **Subcommittee**

I would also like to express my sincere gratitude to **Ms. Kamala** for her guidance and encouragement, which motivated me to serve as the Chairperson for this Subcommittee.

Finally, I would like to extend my heartfelt thanks to my subcommittee members, especially **Ms. Lee Pooi Mun, Abby & Chelsea**.

The Sub-Committee records its appreciation to the members of the Perak Bar for their support, particularly in providing the feedback necessary to engage effectively with the authorities. We remain committed to facilitating a smoother conveyancing practice in Perak.

Perak Bar Conveyancing Sub-Committee and PTG Perak officials following the dialogue on 27th August 2025.

This report summarizes the significant activities carried out by the Criminal Practice and Human Rights Subcommittee during the term. The SUHAKAM have conducted a public inquiry into the alleged human rights violations in connection with the incident of 17th January 2025 at Taiping Prison, which led to the death of an inmate who was in custody.

PUBLICATIONS, LIBRARY & PUBLICITY SUBCOMMITTEE REPORT

It has been an honour to serve as the Chairperson of the Perak Bar's Publications, Library & Publicity Sub-Committee for the 2025/2026 term. As this was my first appointment as Chairperson, the experience has been both meaningful and enriching, providing valuable opportunities for learning and personal growth.

During the term, the Sub-Committee carried out several initiatives focused on improving communication, publicity, and facilities for members of the Perak Bar. To enhance communication and ensure information was shared efficiently, we established an official Perak Bar WhatsApp group and WhatsApp channel exclusively for practising lawyers in Perak. These platforms enable members to receive timely updates and stay informed of upcoming activities, programmes, and important announcements.

We also upgraded the facilities at the Perak Bar premises with the installation for a new projector, aimed at enhancing members comfort and overall experience during monthly talks and other Bar-related events.

In addition, the Sub-Committee undertook the reorganisation of the Perak Bar Library. This included cleaning the library and rearranging the bookshelves to create a more orderly and accessible space for members.

I would like to express my sincere gratitude to the members of the Committee and all those who assisted and supported the work of the Publications, Library & Publicity Sub-Committee throughout the term.

Thank you.

ANTI-TOUTING SUBCOMMITTEE REPORT

During the 2025/2026 term, the Anti-Touting Committee continued its efforts to address and curb touting activities within the court precincts, particularly at the lower courts, in order to uphold the integrity and professionalism of the legal profession.

As part of these efforts, the Committee met with the Pengarah of the Lower Courts, YBrs. Tuan Meor Sulaiman bin Ahmad Tarmizi, to discuss ongoing concerns relating to touting activities. The matter was discussed in detail, including its impact on the public perception of the legal profession and the administration of justice.

YBrs. Tuan Meor Sulaiman bin Ahmad Tarmizi expressed his support for the Committee's concerns and initiatives. He further informed the Committee that he would arrange a meeting with the relevant IPD to discuss and explore measures to address the issue of touting at the court premises.

The Committee remains committed to working closely with the court authorities and relevant agencies to monitor the situation and to ensure that appropriate steps are taken to curb touting activities and to uphold the dignity of the legal profession.

INFRASTRUCTURE AND LOGISTICS SUBCOMMITTEE REPORT

It has been a great privilege to serve as Co-Chairs of the Infrastructure & Logistics Sub-Committee of the Perak Bar for the 2025/2026 term. Over the past year, the Sub-Committee focused on maintaining and enhancing the Bar's facilities for the benefit of its members.

One of the major projects undertaken during the term was the repair of the Perak Bar stage. We successfully obtained funding of RM6,800 from the Malaysian Bar to cover the cost of the repair works. Ensuring that the stage is safe and fully functional is essential, not only for talks and seminars, but also for the various events that bring members together. The stage had been affected by termite infestation, and the use of bricks and tiles was therefore necessary to ensure durability, longer-term use, and ease of maintenance.

The Sub-Committee also organised a gotong-royong at the Perak Bar, during which many unused items were sorted and sent for recycling. The meeting rooms, back storage room, and library were rearranged and organised. We would like to extend our sincere appreciation to Azie, Charen, Khesminkapil Singh Dhanoa, Roshan Singh Dhaliwal, Nuradilla Hasya, Noor Azleena, Nur Najihah, Shaswathi Marie-Anne Raj Xavier, and Selva Gerard Raj for taking time off on a Saturday to assist with the cleaning and general upkeep of the premises.

In remembering and celebrating the Bar's past, numerous photographs of former committees that had not previously been displayed were hung along the corridor. As part of this effort, the Sub-Committee curated a "Walk Down Memory Lane" display to honour and remind members of the contributions of past committees. We hope this initiative will inspire both current and future members to continue the legacy and traditions of the Perak Bar.

The area behind the back storage room, which had been left unused and contained several trees whose roots had damaged the wall, was also attended to. An external contractor was engaged to carry out the necessary clearing works in February 2026.

To further enhance members' convenience, the Sub-Committee also facilitated the installation of a mirror in the High Court Bar Room. We hope this improvement has contributed positively to the comfort and daily experience of members using the space.

We would like to extend our heartfelt gratitude to all Sub-Committee members for their support throughout the term. We also express our sincere appreciation to the staff of the Perak Bar—Azie, Charen, and Adam—whose assistance was invaluable in achieving the Sub-Committee's objectives. Each initiative, whether large or small, was undertaken with the aim of improving the Bar's facilities for the benefit of its members.
